PROXY STATEMENT

This proxy statement is furnished as part of the solicitation by the Board of Directors of Southern Peru Copper Corporation («SPCC» or the «Company»), 2575 E. Camelback Road, Suite 500, Phoenix, Arizona 85016, USA, and Avenida Caminos del Inca No. 171, Chacarilla del Estanque, Santiago de Surco, Lima 33, Peru, of the proxies of all holders of common stock, par value \$0.01 per share entitled to vote at the annual meeting to be held on April 29, 2004, and at any adjournment thereof. This proxy statement is not soliciting proxies from holders of Class A Common Stock whose proxies are being solicited separately. This proxy statement and the enclosed form of proxy are being mailed commencing on or about March 30, 2004, to holders of Common Stock of record on March 24, 2004. Additional copies will be available at the Company's offices in the United States, Lima and other locations in Peru.

Any proxy in the enclosed form given pursuant to this solicitation and received in time for the annual meeting will be voted with respect to all shares represented by it and in accordance with the instructions, if any, given in such proxy. If the Company receives a signed proxy with no voting instructions given, such shares will be voted for the proposal to elect directors and for the proposal to ratify the selection by the Audit Committee of the Board of Directors of PricewaterhouseCoopers LLP as independent accountants of the Company for the calendar year 2004. Any proxy may be revoked at any time prior to the exercise thereof by notice from the stockholder, received in writing by the Secretary, or by written ballot voted at the meeting.

The outstanding shares of the Company consist of Common Stock and Class A Common Stock, par value \$0.01 per share (the "Common Stock" and the "Class A Common Stock", respectively). At the close of business on February 27, 2004 the Company had outstanding 14,113,552 shares of Common Stock. Each share of Common Stock outstanding on March 24, 2004, the record date for the annual meeting, and each of the 65,900,833 shares of Class A Common Stock outstanding as of such date, is entitled to vote at the meeting. Each share of Common Stock is entitled to one vote and each share of Class A Common Stock is entitled to five votes, except with respect to the election of directors, as described below under "Voting Securities" or as required by law.

VOTING SECURITIES

The Company's Restated Certificate of Incorporation (the "Certificate") provides for a Board of Directors composed of fifteen directors. Two directors are elected by the holders of Common Stock (the "Common Stockholders") voting as a separate class, with each share of Common Stock outstanding at the March 24, 2004 record date entitled to one vote at the annual meeting. Thirteen directors, one of whom is the President, are nominated and elected by the holders of Class A Common Stock, voting as a separate class and in accordance with the terms of an agreement (the "Stockholders' Agreement") among ASARCO Incorporated ("Asarco"), Cerro Trading Company, Inc. ("Cerro") and Phelps Dodge Overseas Capital Corporation ("Phelps Dodge"). Messrs. Ramiro G. Peru and J. Steven Whisler, the nominees representing Phelps Dodge, resigned

on January 29, 2004. No nominees to fill these vacancies are presented to the Class A Common Stockholders (as the term is defined below) at the annual meeting.

The Stockholders' Agreement was amended on June 11, 2001 to substitute Grupo Mexico, S. A. de C. V. ("Grupo Mexico") for Asarco in the definition of "Founding Stockholder." Grupo Mexico and SPHC II Incorporated ("SPHC II"), an indirect subsidiary of Grupo Mexico, Cerro and Phelps Dodge are hereinafter referred to collectively as the "Class A Common Stockholders." On November 15, 1999, Asarco transferred all of its holdings of SPCC to Southern Peru Holding Corporation ("SPHC"), a wholly owned subsidiary of Asarco. On November 17, 1999, Grupo Mexico acquired all the holdings of Asarco following a tender offer and purchase of substantially all outstanding common stock of Asarco. On March 31, 2003, SPHC sold all its stock in the Company to Americas Mining Corporation ("AMC"), the parent of Asarco. Immediately after the transaction, the shares of Class A Common Stock were transferred to SPHC II, a subsidiary of AMC.

In accordance with the Company's Certificate, except with respect to the election of directors or as required by law, the Common Stockholders and Class A Common Stockholders vote together as a single class. Each share of Common Stock is entitled to one vote per share and each share of Class A Common Stock is entitled to five votes per share on matters submitted to the vote of stockholders voting as one class.

The Company's By-laws provide that the presence in person or by proxy of the Common Stockholders of record of a majority of the shares of Common Stock entitled to vote at the meeting shall constitute a quorum for the purpose of electing two directors to represent the holders of Common Stock. Abstentions and broker non-votes are counted for quorum purposes but are not counted either as votes cast "For" or "Against". A plurality of the votes cast by Common Stockholders is required for the election of the two Common Stock directors. The presence in person or by proxy of the holders of record of a majority of the combined outstanding shares of Common Stock and Class A Common Stock entitled to vote at the meeting shall constitute a quorum for purposes of voting on proposals other than the election of directors. The affirmative vote of a majority of the votes cast at the meeting by the holders of shares of Common Stock and holders of shares of Class A Common Stock entitled to vote thereon, voting as a single class, is required to approve the independent accountant proposal described in this proxy statement.

When a Common Stockholder participates in the Dividend Reinvestment Plan applicable to the Company's Common Stock, his proxy to vote shares of Common Stock will include the number of shares held for him by The Bank of New York, the agent under the plan. If the Common Stockholder does not send any proxy, the shares held for his account in the Dividend Reinvestment Plan will not be voted. Shares of Common Stock, owned under the Company's Savings Plan, will be voted by the trustee under the plan in accordance with the instructions contained in the proxy submitted by the beneficial Common Stockholder. Any shares held by the trustee for which no voting instructions are received will be voted by the trustee in the same proportion as the shares for which voting instructions have been received.

The Class A Common Stockholders have entered into the Stockholders' Agreement, which contemplates, among other things, a Board of Directors composed of 15 members, one of whom is the President.

Under the terms of the Stockholders' Agreement, each Class A Common Stockholder has the right to nominate that number of 12 directors which is in proportion to the percentage of Class A Common Stock owned by it (or its affiliates) out of the aggregate Class A Common Stock then owned by all holders of Class A Common Stock (without any minimum required number of shares), rounded to the nearest whole director, with 0.5 being rounded up. If this would result in the Class A Common Stockholders, as a group, being entitled to elect a number other than 12 directors, the Stockholders' Agreement contains a formula for rounding up or rounding down as necessary to apportion the 12 directors among the Class A Common Stockholders. The Class A Common Stockholders have also agreed to nominate and vote for the President as a director. Messrs. Ramiro G. Peru and J. Steven Whisler, the nominees representing Phelps Dodge, resigned on January 29, 2004. No nominees to fill these vacancies are presented to the Class A Common Stockholders at the annual meeting.

The Certificate provides that each share of Class A Common Stock automatically converts into one share of Common Stock (voting share for share as a single class on all matters including election of directors), if at any time the number of shares of Class A Common Stock and Common Stock owned by the Class A Common Stockholders (or affiliates of the Class A Common Stockholders) is less than 35% of the outstanding shares of Class A Common Stock and Common Stock of the Company. At such time the Stockholders' Agreement would terminate. In addition, the rights and obligations of each Class A Common Stockholder under the Stockholders' Agreement terminate in the event such Class A Common Stockholder (or its affiliates) ceases to own shares of Class A Common Stock.

Committee Reports on Executive Compensation

Compensation Committee

The Compensation Committee of the Board of Directors of the Company furnished the following report on compensation of executive officers in 2003. Since December 17, 1999, this Committee is comprised of the entire Board of Directors. The Committee did not meet in 2003.

In 2003, the only executive officer compensated by the Company was Mr. Oscar González Rocha, the President of the Company. The base salary of Mr. González was determined by the Company and is reflected in an employee agreement mandated by Peruvian law. The base salary of Mr. Oscar González Rocha follows the guidelines of salaries of other key employees of the Company in Peru. The other items of the compensation paid in 2003 to Mr. Oscar González Rocha are consistent with compensation paid to other key employees of the Company in Peru or are mandated by Peruvian law. For 2003 the Company approved an incentive cash payment to Mr. Oscar González Rocha in recognition of his performance. The incentive cash payment to Mr. Oscar González Rocha is reflected in the Summary Compensation Table.

In 2003, the Compensation Committee did not award cash incentive compensation under the Southern Peru Copper Corporation Incentive Compensation Plan to Mr. Oscar González Rocha. The Compensation Committee under the Southern Peru Copper Corporation Incentive Compensation Plan determines annual cash incentive payments to key salaried employees of the Company. A target level of annual incentive compensation is established for each eligible employee based on the level of responsibility attached to such employee's position. For executive officers these targets are set at competitive median levels. The Compensation Committee determines the officers' levels of responsibility after review of substantially equivalent positions among the Company's peers.

Under the Incentive Compensation Plan, awards to employees are established from a predetermined target level, based upon performance measured in the areas of production, safety and environmental at two levels: individual and Company-wide.

Under Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Internal Revenue Code"), the Company may not deduct, with certain exceptions, compensation in excess of \$1 million to the Chief Executive Officer and the four other highest paid executive officers as required to be reported in the Company's proxy statement. The Compensation Committee does not believe that Section 162(m) will have any immediate material impact on the Company because, among other things, its principal taxing jurisdiction is Peru. The Compensation Committee will, however, continue to monitor the Company's executive compensation programs to ensure their effectiveness and efficiency in light of the Company's needs, including Section 162(m).

In the case of the Chief Executive Officer, the Committee also considers his performance and responsibility in directing the Company's performance.

On April 25, 2002, upon the recommendation of the Audit Committee, the Board of Directors of the Company approved the selection of Deloitte & Touche LLP as independent auditors for 2002, replacing Arthur Andersen LLP. Both firms have provided excellent services to the Company. In connection with the audits for 2001 and 2002 and through subsequent periods, there was no disagreement with either Arthur Andersen or Deloitte & Touche on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure. Also, during those time periods there have been no “reportable events,” as such term is used in Item 304 (a) (1) (v) of Regulation S-K of the SEC. Arthur Andersen’s and Deloitte & Touche’s reports on the financial statements of the Company for 2001 and 2002, respectively, neither contained an adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope, or accounting principles.
