PROXY STATEMENT

This proxy statement is furnished as part of the solicitation by the Board of Directors of Southern Copper Corporation (“SCC”, “us”, “our”, or the “Company”), 2575 E. Camelback Road, Suite 500, Phoenix, Arizona 85016, USA, and Avenida Caminos del Inca No. 171, Chacarilla del Estanque, Santiago de Surco, Lima 33, Peru, of the proxies of all holders of common stock (the “Common Stockholders” or “you”), par value \$0.01 per share entitled to vote at the annual meeting to be held on April 27, 2006, and at any adjournment thereof. This proxy statement and the enclosed form of proxy are being mailed commencing on or about April 4, 2006, to the Common Stockholders of record on March 23, 2006. Additional copies will be available at our offices in the United States, Lima and other locations in Peru.

Any proxy in the enclosed form given pursuant to this solicitation and received in time for the annual meeting will be voted with respect to all shares represented by it and in accordance with the instructions, if any, given in such proxy. If we receive a signed proxy with no voting instructions given, such shares will be voted for the proposal to elect directors, for approval of the amendments to our by-laws, the approval of the amendments to the Amended and Restated Certificate of Incorporation (the “Certificate”), and for the proposal to ratify the selection by the Audit Committee of the Board of Directors of PricewaterhouseCoopers S.C. (“PwC”), as our independent accountants for the calendar year 2006. Any proxy may be revoked at any time prior to the exercise thereof by notice from you, received in writing by our Secretary, or by written ballot voted at the meeting or by delivery of a later dated proxy card.

Our outstanding shares consist of Common Stock, par value \$0.01 per share (the “Common Stock”). At the close of business on March 23, 2006 we had outstanding 147,228,025 shares of Common Stock. Each share of Common Stock outstanding on March 23, 2006, the record date for the annual meeting, is entitled to vote at the meeting. Each share of Common Stock is entitled to one vote.

VOTING SECURITIES

Our Certificate provides for a Board of Directors to be fixed from time to time by resolution of a majority of the Board of Directors, provided that the number of directors shall not be less than six or more than fifteen. The Board of Directors at its meeting held on January 26, 2006 fixed the number of directors at thirteen. The directors are elected by the Common Stockholders, with each share of Common Stock outstanding at the March 23, 2006 record date entitled to one vote at the annual meeting.

Our by-laws provide that the presence in person or by proxy of the Common Stockholders of record holding a majority of the outstanding shares of Common Stock entitled to vote at the meeting shall constitute a quorum for the purpose of electing directors. A plurality of the votes cast by you is required for the election of the thirteen directors. Abstentions and broker non-votes are counted for quorum purposes but are not counted either as votes cast “For” or “Against” any nominee. A broker “non-vote” occurs when a broker submits a proxy card with respect to shares of Common Stock held in a fiduciary capacity (typically referred to as being held in “street name”) but declines to vote on a particular matter because the broker has not received voting instructions from the beneficial owner.

The presence in person or by proxy of the holders of the outstanding shares of Common Stock entitled to cast a majority of the votes at the meeting shall constitute a quorum for purposes of voting on proposals other than the election of directors.

The proposal to eliminate extraneous provisions of our by-laws will be adopted upon the affirmative vote of 80% of the voting power of all shares of Common Stock entitled to vote. The proposal to amend the advance notice requirements of our by-laws will be adopted upon the affirmative vote of the holders of a majority of our Common Stock. The proposal to amend the definition of “Change in Control” will be adopted upon the affirmative vote of a majority of the votes cast at the annual meeting by stockholders entitled to vote at the meeting. The proposal to eliminate 80% supermajority vote requirement will be

adopted upon the affirmative vote of 80% of the voting power of all shares of Common Stock entitled to vote.

Except with respect to the amendment substituting Grupo Mexico for Asarco in the definition of "Change in Control", abstentions and broker non-votes will have the same effect as a vote "Against" the foregoing proposals to amend our by-laws. Abstentions and broker non-votes are counted for quorum purposes but are not counted either as votes cast "For" or "Against" the proposal to substitute Grupo Mexico for Asarco in the definition of "Change in Control" in Section 9.15 of Article IX of our by-laws.

Pursuant to Sections 242 and 245 of the Delaware General Corporation Law ("DGCL"), the amendments to our Certificate must be approved by the holders of a majority of our issued and outstanding shares of Common Stock. Abstentions and broker non-votes will have the same effect as a vote "Against" the proposal to amend our Certificate.

The affirmative vote of a majority of the votes cast at the meeting by the holders of shares of Common Stock entitled to vote thereon is required to ratify the selection of the independent accountants described in this proxy statement. Abstentions and broker non-votes are counted for quorum purposes but are not counted either as votes cast "For" or "Against" the proposal to ratify the selection of the independent accountants described in this proxy statement.

When a Common Stockholder participates in the Dividend Reinvestment Plan applicable to our Common Stock, the Common Stockholder's proxy to vote shares of Common Stock will include the number of shares held for him by The Bank of New York, the agent under the plan. If you do not send any proxy, the shares held for you account in the Dividend Reinvestment Plan will not be voted. Shares of Common Stock, owned under our Savings Plan, will be voted by the trustee under the plan in accordance with the instructions contained in the proxy submitted by the beneficial Common Stockholder. Any shares held by the trustee for which no voting instructions are received will be voted by the trustee in the same proportion as the shares for which voting instructions have been received.

No Dissenters' or Appraisal Rights

Stockholders who do not consent to the amendments of the Certificate and the by-laws as described in this proxy statement are not entitled to assert dissenters' or appraisal rights under Section 262 of the DGCL.

Committee Reports on Executive Compensation

Compensation Committee

The Compensation Committee is comprised of Messrs. Germán Larrea Mota–Velasco, Oscar González Rocha, Xavier García de Quevedo Topete, and Gilberto Perezalonso Cifuentes. The Committee did not meet in 2005.

The Compensation Committee of the Board of Directors has general responsibility for the administration, interpretation and oversight of all aspects of remuneration, including compensation, benefits and perquisites, of all of our executive officers and our other key employees and our subsidiaries.

The Compensation Committee has the authority to delegate any of its authority to subcommittees designated by the Compensation Committee to the extent permitted by law. The Compensation Committee may delegate its administrative duties to the Chief Executive Officer or other members of senior management, as permitted by applicable law and regulations. The Compensation Committee has the sole authority to retain and terminate any counsel or other advisors, including sole authority to approve fees and other retention terms.

The Compensation Committee produces the Compensation Committee Report on Executive Compensation for inclusion in our SEC filings and furnished the following report on compensation of executive officers in 2005.

In 2005, the only executive officers compensated by us were Messrs. Oscar González Rocha, our President and Chief Executive Officer and Jose N. Chirinos, our Comptroller. The base salary of Mr. González Rocha was determined by us and is reflected in an employee agreement mandated by Peruvian law. The base salaries of Messrs. Oscar González Rocha and Jose N. Chirinos follow the guidelines of salaries of our other key employees in Peru. The other items of the compensation paid in 2005 to Messrs. Oscar González Rocha and Jose N. Chirinos are consistent with compensation paid to our other key employees in Peru or are mandated by Peruvian law. For 2005 we approved an incentive cash payment to Messrs. Oscar González Rocha and Jose N. Chirinos in recognition of their performance. The incentive cash payments to Messrs. Oscar González Rocha and Jose N. Chirinos are reflected in the Summary Compensation Table.

In 2005, the Compensation Committee did not award cash incentive compensation under the Southern Copper Corporation Incentive Compensation Plan to Messrs. Oscar González Rocha and Jose N. Chirinos. The Compensation Committee under the Southern Copper Corporation Incentive Compensation Plan determines annual cash incentive payments to our key salaried employees. A target level of annual incentive compensation is established for each eligible employee based on the level of responsibility attached to such employee's position. For executive officers these targets are set at competitive median levels. The Compensation Committee determines the officers' levels of responsibility after review of substantially equivalent positions among our peers.

Under the Incentive Compensation Plan, awards to employees are established from a predetermined target level, based upon performance measured in the areas of production, safety and environmental at two levels: individual and company-wide.

Under Section 162(m) of the Internal Revenue Code of 1986, as amended, we may not deduct, with certain exceptions, compensation in excess of \$1 million to the Chief Executive Officer and the four other highest paid executive officers as required to be reported in our proxy statement. The Compensation Committee does not believe that Section 162(m) will have any immediate material impact on us because, among other things, officer salaries principally enter into the calculation of non-US source taxable income. Due to the availability of foreign tax credits, the Company will not normally incur a U. S. tax liability on its non-US source taxable income. The Compensation Committee will, however, continue to monitor our executive compensation programs to ensure their effectiveness and efficiency in light of our needs, including Section 162(m).

The Compensation Committee:

Germán Larrea Mota-Velasco
Xavier García de Quevedo Topete
Gilberto Perezalonso Cifuentes

Stock Incentive Plan Committee

Our Stock Incentive Plan Committee of the Board of Directors administers our Stock Incentive Plan. The members of the Committee currently are Messrs. Emilio Carrillo Gamboa, Luis Miguel Palomino Bonilla, and Gilberto Perezalonso Cifuentes. The Committee did not meet in 2005.

The Stock Incentive Plan Committee selects officers and other employees for participation in this plan and decides upon the timing, pricing and amount of awards and benefits granted under the Stock Incentive Plan.

No long-term incentive compensation was awarded in 2005. Long-term incentive compensation consists of awards of restricted stock and/or stock options and are designed to link the interests of executive officers and selected employees with those of stockholders by providing an incentive to manage our business as an owner with an equity stake. Awards generally are made to selected officers and employees, and are made within long-term incentive targets based upon analyses by us and consideration of each executive's and employee's performance. In the case of the Chief Executive Officer, the Stock Incentive Plan Committee also considers the Chief Executive Officer's performance and responsibility in directing our performance.

Certain Transactions

Grupo Mexico, the ultimate parent and our majority indirect stockholder, and our other affiliates, provide various services to us. In 2005, these activities were principally related to accounting, legal, tax, financial, treasury, human resources, price risk assessment and hedging, purchasing, procurement and logistics, sales and administrative and other support services. Grupo Mexico is reimbursed for these services. The total amount paid by us to Grupo Mexico for such services in 2005 was \$13.8 million. We expect to continue to pay for these support services going forward in an amount of \$13.8 million per year.

The former holders of our Class A Common Stock (the "Class A Common Stock") until June 2005 and their affiliates purchase copper products and other products from us from time to time at prices determined by reference to the LME and COMEX market price for copper and published prices for other products, if available.

In 2005, we purchased from Asarco \$1.1 million and sold to Asarco \$11.6 million of products, principally sulfuric acid and silver.

Sociedad Minera Cerro Verde S.A., an affiliate of Phelps Dodge Overseas Corporation and Climax Molybdenum B.V., our stockholders until June 2005, purchased \$1.5 million of acid products from us in 2005 (through June).

Cerro Wire and Cable LLC, an affiliated company of one of our shareholders until June 2005, purchased \$13.7 million of copper products from us in 2005.

On January 15, 2004, we entered into a tolling agreement with Asarco. Under terms of the agreement, in the first quarter of 2004 we, through our wholly owned US subsidiary, Southern Peru Limited ("SPL"), commenced delivering to Asarco, at its Amarillo, Texas refinery, copper cathodes for conversion into copper rods, which we sell to customers in the United States. We delivered 29,000 tons of copper during 2005 to the Asarco refinery. On July 8, 2005 Asarco declared Force Majeure, notifying SPL that because of a strike at their facilities, they would be unable to accept shipments from us. Accordingly, deliveries to the refinery were suspended and we had redirected the copper otherwise intended for delivery to the refinery to other customers. At December 31, 2005 we did not have copper at the Asarco refinery. We paid Asarco a tolling charge upon our receipt of copper rods. These charges, \$1.6 million in 2005, are based on competitive market terms. Through June 9, 2005 we sold a portion of the copper treated by Asarco, approximately \$13.7 million, to The Marmon Group—Cerro Wire, our stockholder until June 9, 2005.

Additionally, in 2005 we purchased \$3.3 million and \$0.7 million of industrial material from Higher Technology S.A.C. and Servicios y Fabricaciones Mecánicas S.A.C., respectively. Mr. Carlos González, a son of our President and Chief Executive Officer, is the principal owner of these companies. In addition, we purchased \$0.2 million in 2005 of industrial materials from Société Française des Bandes

Transporteuses, a French corporation. Mr. Alejandro González, a son of our President and Chief Executive Officer, is a sales representative with this company.

We paid \$0.5 million in 2005 in interest expense related to borrowings from Grupo México.

In 2005, we had other receivables from affiliates, including Asarco, of \$0.3 million and other payables of \$0.9 million.

Our Mexican operations paid fees of \$21.0 million in 2005, primarily for freight services provided by Ferrocarril Mexicano, S.A. de C.V., an indirect subsidiary of Grupo Mexico.

In addition, our Mexican operations paid fees of \$29.7 million in 2005 for construction services provided by Mexico Constructora Industrial, S.A. de C.V., an indirect subsidiary of Grupo Mexico. At December 31, 2005 we had a balance due of \$5.0 million for advances provided to this company.

The Larrea family controls a majority of the capital stock of Grupo México, and has extensive interests in other businesses, including oil drilling services, construction and real estate. We engage in certain transactions in the ordinary course of business with other entities controlled by the family relating to mining and refining services, the lease of office space, and air transportation and construction services. These transactions amounted to approximately \$3.7 in 2005.

It is anticipated that in the future we will enter into similar transactions with the same parties.

On March 28, 2005, our stockholders at a special meeting approved a transaction pursuant to which our majority shareholder, Grupo Mexico, through its subsidiary, AMC, sold to us its approximately 99.1463% shareholding in Minera Mexico ("MM"), in return for the issuance to AMC of 67,207,640 million of our shares. The transaction resulted in Grupo Mexico increasing its ownership share in us to 75.1% from its prior 54.2%.

On October 20, 2005 our Board of Directors approved the acquisition of 6,386,521 shares of MM from Grupo Mexico. The acquired shares represent 0.81833% of the outstanding shares of MM and were purchased for \$30,276,420.

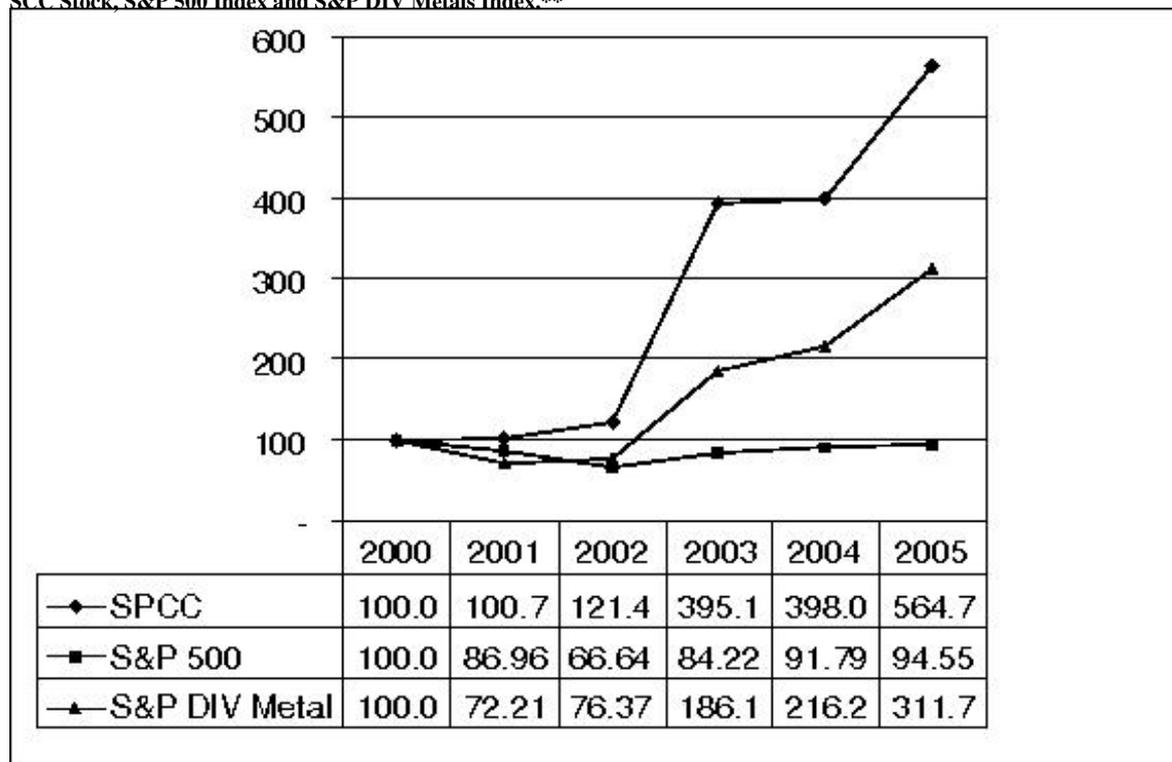

We lend to and borrow from our affiliates from time to time to fund acquisitions and for other corporate purposes. We believe these financing transactions bear interest at market rates.

Compensation Committee Interlocks and Insider Participation in Compensation Decisions

Our directors representing Grupo Mexico are executive officers of Grupo Mexico or its affiliates. Messrs. Germán Larrea Mota-Velasco, Oscar González Rocha, Xavier García de Quevedo Topete, and Gilberto Perezalonso Cifuentes comprise the Compensation Committee of the Board. The Compensation Committee did not meet in 2005. See also "Certain Transactions."

"Controlled Company" Exception to NYSE Rules.

A company of which more than 50% of the voting power is held by a single entity, a "controlled company", need not comply with the requirements of the NYSE corporate governance rules requiring a majority of independent directors and independent compensation and nomination/corporate governance committees.

We are a controlled company as defined by the rules of the NYSE. Grupo Mexico currently owns indirectly 75.1% of our stock. We have taken advantage of the exceptions to the corporate governance rules of the NYSE. We have four special independent directors nominated by the Special Nominating Committee, Messrs. Harold S. Handelsman, Luis Miguel Palomino Bonilla, Gilberto Perezalonso Cifuentes and Carlos Ruiz Sacristán. At its meeting on January 26, 2006, the Board of Directors determined that Messrs. Harold S. Handelsman, Luis Miguel Palomino Bonilla, Gilberto Perezalonso Cifuentes and Carlos Ruiz Sacristán are independent of management in accordance with the qualifications of the SEC and NYSE as such qualifications are interpreted by our Board of Directors in its business judgment. At the same meeting, the Board determined that Mr. Emilio Carrillo Gamboa also met the SEC and NYSE independence qualifications.

Corporate Governance Guidelines, Committee Charters and Code of Ethics

We have adopted Corporate Governance Guidelines for the Board of Directors and charters for the Audit, Special Nominating, Governance, and Compensation Committees. We also have in place a Code of Business Conduct and Ethics that apply to our principal executive officer, principal financial officer, comptroller, all officers, directors and our employees, including the persons performing accounting or financial functions. The Corporate Governance Guidelines, Code of Business Conduct and Ethics, and Committee charters, may be accessed free of charge by visiting our web site at www.southerncoppercorp.com. Copies of these documents are also available in print by written request directed to our Secretary, at Southern Copper Corporation, 2575 E. Camelback Rd. Suite 500, Phoenix, AZ 85016 or at Southern Copper Corporation, Av. Caminos del Inca 171, Lima-33, Peru.

In accordance with Section 303A.03 of the corporate governance rules of the NYSE, an executive session of non-management directors is scheduled on the occasion of each of our regularly scheduled Board meetings. For such purpose, our Chairman invites the non-management directors to hold the executive session and all other members are asked to leave the boardroom. The non-management directors decide on each occasion if there are matters that warrant holding the executive session and the directors designate for each session, the director who will preside at each executive session. This policy is disclosed in Section 5.4 of our Corporate Governance Guidelines posted on the Company's web site at www.southerncoppercorp.com.

We intend to report any amendments to, or waiver from, a provision of the Code of Business Conduct and Ethics that applies to the principal executive officer, principal financial officer, principal accounting officer, comptroller and other persons performing similar functions.

Corporate Governance Committee

The primary functions of the Corporate Governance Committee are (a) to consider and make recommendations to the Board concerning the appropriate function and needs of the Board, (b) to develop and recommend to the Board corporate governance principles, and (c) to oversee evaluation of the Board and management.

The Committee has the authority to delegate any of its authority to subcommittees designated by the Corporate Governance Committee, to the extent permitted by law. The Corporate Governance Committee has the sole authority to retain and terminate any counsel or other advisors, including sole authority to approve the fees and other retention terms.

Special Independent Directors/Special Nominating Committee

On April 12, 2005, the Board of Directors discontinued the Nominating Committee in view of the creation of the Special Nominating Committee pursuant to an amendment of our Certificate, filed on March 29, 2005. The Special Nominating Committee functions as a special committee to nominate special independent directors to the Board. Pursuant to our Certificate, a special independent director is any director who (i) satisfies the independence requirements of the NYSE Listed Company Manual (or any other exchange or association on which the Common Stock is listed) and (ii) is nominated by the Special Nominating Committee. The Special Nominating Committee has the right to nominate a number of special independent directors based on the percentage of our Common Stock owned by all holders of our Common Stock, other than Grupo Mexico and its affiliates.

The Special Nominating Committee consists of three directors, two (2) of whom are Luis Miguel Palomino and Carlos Ruiz Sacristán (each an "Initial Member" and, together with their successors, "Special Designees") and such other director, who was initially Oscar González Rocha and is currently Armando Ortega, as may be appointed by the Board of Directors or the "Board Designee". The Board Designee will be selected annually by the Board of Directors. The Special Designees will be selected annually by the members of the Board who are special independent directors or Initial Members. Only special independent directors can fill vacancies on the Special Nominating Committee. Any member of the Special Nominating Committee may be removed at any time by the Board of Directors for cause. The unanimous vote of all members of the nominating committee will be necessary for the adoption of any resolution or the taking of any action.

The Certificate provides that the number of special independent directors on the Board of Directors at any given time shall equal (a) the total number of directors on the Board of Directors multiplied by (b) the percentage of Common Stock owned by all of the stockholders (other than Grupo Mexico and its affiliates), rounded up to the next whole number. Notwithstanding the foregoing, the total number of persons nominated as special independent directors cannot be less than two or greater than six.

The Special Nominating Committee has nominated Messrs. Harold S. Handelsman, Luis Miguel Palomino Bonilla, Gilberto Perezalonso Cifuentes, and Carlos Ruiz Sacristán as special independent directors. At its meeting on January 26, 2006, the Board of Directors approved the nomination and determined that Messrs. Harold S. Handelsman, Luis Miguel Palomino Bonilla, Gilberto Perezalonso Cifuentes, and Carlos Ruiz Sacristán are independent of management in accordance with the qualifications of the SEC and NYSE as such qualifications are interpreted by our Board of Directors in its business judgment. At the same meeting, the Board determined that Mr. Emilio Carrillo Gamboa also met the SEC and NYSE independence qualifications.

Notwithstanding the foregoing, the power of the Special Nominating Committee to nominate special independent directors is subject to the rights of the stockholders to make nominations in accordance with the by-laws.

The Special Nominating Committee did not meet in 2005. The Special Nominating Committee considers and makes recommendations to the Board of Directors with respect to the nominations for special independent directors. The Committee considers recommendations for special independent director nominees to the Board of Directors from all sources. Recommendations for special independent director nominees should be sent in writing to our Secretary.

The Special Nominating Committee's Charter sets forth that it shall have the authority to:

- consider and recruit candidates to fill the positions on the Board allocated to special independent directors taking into account the Board's current composition and core competencies and the needs of the Board as a whole;
- apply criteria for Board membership that require special independent directors to satisfy the independence requirements, possess financial and business competency, high ethical standards and integrity, intelligence and judgment, sufficient time to devote to our matters, and a history of achievement;
- review and consider candidates from all sources;
- conduct appropriate and necessary inquiries into the backgrounds and qualifications of possible candidates;
- recommend the special independent director nominees for approval by the Board and you;
- fill any vacancy created by the removal, resignation or retirement from the Board of any special independent director; and
- evaluate annually the Committee's own performance and the adequacy of the charter, and report on the same to the Board.

The Committee has the authority to delegate any of its authority to subcommittees designated by the Committee, to the extent permitted by law.

However, the Committee has the sole authority to retain and terminate any advisor, including counsel and any search firm used to identify special independent director candidates, and to approve the fees and other retention terms of said advisors.

Affiliate Transaction Committee

The amendment to the Certificate also prohibits us from engaging in any material affiliate transaction unless the transaction has been reviewed by a committee of at least three members of the Board of Directors, each of whom must satisfy the independence standards of the NYSE (or any other exchange or association on which the Common Stock is listed). A material affiliate transaction is defined as a transaction, business dealing or material financial interest in any transaction, or any series of transactions between Grupo Mexico or one of its affiliates (other than us or any of the subsidiaries), on the one hand, and us or one of our subsidiaries, on the other hand, that involves aggregate consideration of more than \$10,000,000.

Compensation of Directors

Each director receives compensation in the amount of \$20,000 per year and \$6,000 for attendance in person at each meeting. For attendance by telephone conference the compensation is \$1,000 for each meeting.

We have a Directors' Stock Award Plan pursuant to which directors who are not compensated as our employees are entitled to an award of 200 shares of Common Stock upon election to the Board and 200 additional shares of Common Stock following each annual meeting of stockholders thereafter. This Plan will expire by its terms on January 31, 2016.

Attendance of Directors

The Board of Directors met four times in 2005, with 75% attendance by Mr. Perezalonso and Mr. Carrillo Gamboa, and 100% attendance by all of the directors.

We do not have a policy requiring attendance by directors at the annual meeting of stockholders. Mr. Oscar González Rocha, our President, chaired the 2005 annual meeting of stockholders. Messrs. Armando Ortega Gómez, Jaime Fernando Collazo González, J. Eduardo González Félix and Juan Rebolledo Gout attended. The absence of all other directors was excused.

Shareholder Communications with Directors

You or other persons wishing to write to our Board of Directors or a specified director or committee of the Board should send correspondence to our Secretary at Southern Copper Corporation, 2575 E. Camelback Rd. Suite 500, Phoenix, AZ 85016 or at Southern Copper Corporation, Av. Caminos del Inca 171, Lima-33, Peru.

All communications so received from you or other interested parties will be forwarded to the members of the Board of Directors, or to a specific Board member or committee if so designated by such person. Anyone who wishes to communicate with a specific Board member or committee should send instructions asking that the material be forwarded to the director or to the appropriate committee chairman.

Shareholder Nominations

Under the by-laws in effect on the date hereof, a Common Stockholder seeking to nominate a director for election by Common Stockholders generally must give written notice to our Secretary at least 90 days in advance of the anniversary date of the immediately preceding annual meeting, or within 10 business days of the giving of notice of a special meeting. The notice must provide specific biographical data with respect to each nominee, including such information as is required to be included in our proxy statement, and a representation by the Common Stockholder that he or she is a holder of record entitled to vote at the meeting and that he or she intends to appear in person or by proxy to make the nomination. Nominations for our 2007 annual meeting of stockholders must be received by January 26, 2007.

If the amendment to our by-laws introducing a new provision for advance notice to shareholders seeking to nominate directors or to propose other business at annual or special meetings of the Common Stockholders is approved, Common Stockholders seeking to nominate a director or propose business to be considered at an annual meeting of stockholders must give written notice to our Secretary regarding the proposed nominee and/or proposed business to be considered no less than 90 days nor more than 120 days prior to the first anniversary of the preceding year's annual meeting; provided, however, that if the date of the annual meeting is advanced by more than 30 days, or delayed by more than 60 days, from such anniversary date, notice by the stockholder to be timely must be delivered not earlier than 120 days and not later than 90 days prior to such annual meeting or 10 days following the day on which public announcement of the date of such meeting is first made. Accordingly, if the amendments to our by-laws are approved, your nominations or proposals intended to be presented at our 2007 annual meeting of stockholders must be received by us by January 26, 2007 (unless the date of the 2007 annual meeting is advanced by more than 30 days or delayed by more than 60 days).

Section 16(a) Beneficial Ownership Reporting Compliance

Based on our records and other information, we believe that all filing requirements of the SEC applicable to our executive officers, directors, and ten percent or more owners were complied with for 2005

except that Mr. Juan Rebolledo Gout, a director, filed one late report covering the sale of 600 shares in January 2006.

APPROVAL OF PROPOSALS BY STOCKHOLDERS

The Board of Directors recommends that you vote FOR the following proposals.

**PROPOSAL TO ELECT OUR
THIRTEEN DIRECTORS**

The Board of Directors recommends that you vote in favor of the election of Emilio Carrillo Gamboa, Jaime Fernando Collazo González, Xavier García de Quevedo Topete, Oscar González Rocha, J. Eduardo González Félix, Harold S. Handelsman, Germán Larrea Mota-Velasco, Genaro Larrea Mota-Velasco, Armando Ortega Gómez, Luis Miguel Palomino Bonilla, Gilberto Perezalonso Cifuentes, Juan Rebolledo Gout, and Carlos Ruiz Sacristán as directors of the Company to represent you.

PROPOSALS TO AMEND OUR BY-LAWS

The Board urges you to read our amended by-laws (which are attached hereto as Appendix B) carefully before voting on the proposed amendments to our by-laws below. The proposed amendments would become effective immediately if they are approved by the Common Stockholders as provided below. The proposed amendments are not conditioned on the approval of all of the amendments and will become effective independent of each other. Under the amended by-laws, your nominations for directors and proposals for business intended to be presented at our 2007 annual meeting of stockholders must be received by us at our principal executive office in the United States (2575 E. Camelback Rd. Suite 500, Phoenix, AZ 85016, USA) by January 26, 2007.

Proposal to Eliminate Extraneous Provisions

On May 19, 2005, all of the holders of our former Class A Common Stock, par value \$0.01 per share voluntarily converted (the "Conversion"), on a share-for share basis, all of their shares of Class A Common Stock, totaling in the aggregate 65,900,833 shares, into 65,900,833 newly-issued shares of Common Stock.

As a result of the Conversion, (1) no shares of Class A Common Stock remain outstanding and no shares of Class A Common Stock will be reissued, and (2) the number of authorized shares of Common Stock is now 167,207,640 and there are outstanding 147,228,025 shares of Common Stock. Upon the Conversion, the rights of the holders of Class A Common Stock (1) to vote as a separate class with respect to the election of directors of the Company, (2) to elect thirteen of the fifteen members of the Board of Directors of the Company (3) and to have five votes per share of Class A Common Stock when voting as a single class with the Common Stock on all matters other than the election of directors were eliminated. All holders of Common Stock now vote as a single class on all matters submitted to a vote of stockholders, with each share of Common Stock entitled to one vote.

Our Board of Directors believes that it is in the best interests of the Company and its stockholders to amend our by-laws to eliminate the extraneous provisions relating to the retired series of Class A Common Stock. Such action would simplify our bylaws and more accurately reflect the capital structure of the Company. These amendments will have no effect on the rights of our Common Stockholders and are reflected in Sections 1.02 and 1.08 of Article I, Section 2.02, 2.03, 2.04, 2.09 and 2.11 of Article II, Section 8.05 of Article VIII, and Sections 9.15 and 9.17 of Article IX of our amended by-laws, which are attached hereto as Appendix B and are incorporated herein by reference. This proposal will be adopted upon the affirmative vote of 80 % of the voting power of all shares of Common Stock entitled to vote.

Proposal to Amend Advance Notice Requirements

Our Board of Directors believes that it is in the best interests of the Company and its stockholders to amend our by-laws to introduce a new provision for advance notice to shareholders seeking to nominate directors or to propose other business at annual or special meetings of the Common Stockholders. The effect of this amendment is that Common Stockholders will have to comply with more stringent notice requirements when seeking to nominate directors or propose business at the Company's annual or special meetings of Common Stockholders. For instance, shareholders will generally not be able to make nominations or proposals for business more than one hundred and twenty (120) days or less than ninety (90) days prior to the first anniversary of the preceding year's annual meeting or the date of a scheduled special meeting (in addition to previously established notice requirements). The new notice requirements are reflected in Section 2.03 of our amended by-laws attached hereto as Appendix B and incorporated herein by reference. This proposal will be adopted upon the affirmative vote of the holders of a majority of our Common Stock.

Proposal to Amend the Definition of "Change in Control"

Our Board of Directors believes that it is in the best interests of the Company and its stockholders to amend our by-laws to substitute Grupo Mexico for Asarco in the "Change in Control" definition in the by-laws. The effect of the substitution of Grupo Mexico in the "Change in Control" definition is that a "Change in Control" will be triggered when Grupo Mexico and its affiliates cease to own at least 51% of the Company, rather than when Asarco no longer owns 35,000,000 shares of Class A Common Stock. This change is appropriate since the Class A Common Stock no longer exists and Asarco's former interest in the Company is owned entirely by Grupo Mexico. This amendment is reflected in Section 9.15 of our amended by-laws attached hereto as Appendix B and incorporated herein by reference. This proposal will be adopted upon the affirmative vote of a majority of the votes cast at the annual meeting by stockholders entitled to vote at the meeting.

Proposal to Eliminate 80% Supermajority Vote Requirement

Our Board of Directors believes that it is in the best interests of the Company and its stockholders to amend our by-laws to eliminate the 80% supermajority vote requirement. The current 80% supermajority vote requirement requires that at least 80% of the voting power of the outstanding Common Stock approve certain corporate actions relating to Section 1.02 of Article I, Sections 2.02, 2.04 and 2.09 of Article II and the proviso to Section 8.05 of Article VIII of our by-laws relating to the amendment of the foregoing Sections of the by-laws. The foregoing Sections of the by-laws relate to Special Meetings, the Number, Term of Office and Qualifications of the Board of Directors and the Election and Removal of Directors. The effect of this amendment is that the Board can more easily amend these Sections of the by-laws in the future because the Board will no longer be obligated to seek stockholder approval for an amendment of these Sections. This amendment is reflected in the deletion of the proviso to Section 8.05 of Article VIII of our by-laws attached hereto as Appendix B and incorporated herein by reference. This proposal will be adopted upon the affirmative vote of 80% of the voting power of all shares of Common Stock entitled to vote.

**PROPOSAL TO AMEND OUR CERTIFICATE TO INCREASE THE
NUMBER OF AUTHORIZED SHARES OF COMMON STOCK**

On January 26, 2006, the Board of Directors unanimously adopted a resolution recommending that our stockholders approve an amendment to our Certificate to increase the aggregate number of shares of Common Stock which we are authorized to issue from 167,207,640 shares to 320,000,000 shares. The Board urges you to carefully read the entire text of this amendment, which is included in Appendix C to this proxy statement and incorporated herein by reference.

Our Board of Directors believes that it is in our best interest to increase the number of authorized shares of Common Stock. The amendment will have the effect of allowing the Company to issue more shares of Common Stock in the future. The Company's management is considering recommending a stock split to the Board of Directors, but there can be no assurance that the Board of Directors will take any action to effect a stock split. When issued, the additional shares of Common Stock will have the same rights and privileges as the shares of Common Stock currently authorized and outstanding. No holder of any of our shares of Common Stock has preemptive rights. Therefore, no stockholder will have any preferential right to purchase any additional shares of our Common Stock when the new shares are issued.

Pursuant to Sections 242 and 245 of the DGCL, the amendments to our Certificate must be approved also by the holders of a majority of our issued and outstanding shares of Common Stock. If approved by the Common Stockholders, this proposed amendment will become effective upon the filing of our Certificate with the Secretary of State of the State of Delaware. The amendment is reflected in Article Four of the form of our Certificate, which is attached hereto as Appendix C and incorporated herein by reference.

PROPOSAL TO RATIFY THE SELECTION OF INDEPENDENT ACCOUNTANTS

PricewaterhouseCoopers S.C. were our independent accountants continuously from 1962 until 1999. PricewaterhouseCoopers S.C. is a world-class global auditing firm and is the world's leading auditing firm for the mining industry. They have been our independent accountants since 2003. On January 25, 2006, the Audit Committee selected PricewaterhouseCoopers S.C. as our independent accountants for 2006.

The Board of Directors recommends that you ratify the selection by the Audit Committee of the Board of Directors of PricewaterhouseCoopers S.C. as our independent accountants for the calendar year 2006.

PricewaterhouseCoopers S.C. has advised us that neither the firm nor any of its members have any direct or material indirect financial interest in us or our subsidiaries. A representative of PricewaterhouseCoopers S.C. will be present at the stockholders' meeting. The representative will have an opportunity to make a statement and will be available to respond to appropriate questions.

PROPOSALS OF STOCKHOLDERS

Under SEC rules, proposals of stockholders intended to be presented at our 2007 annual meeting of stockholders must be received by us at our principal executive office in the United States (2575 E. Camelback Rd. Suite 500, Phoenix, AZ 85016, USA) by November 29, 2006 to be considered for inclusion in our proxy statement and form of proxy. Additionally, if our by-laws are approved and once they become effective, your proposals intended to be presented at our 2007 annual meeting of stockholders must be received by us by January 26, 2007.

OTHER INFORMATION

We are not aware of any other matters to be considered at the meeting. If any other matters properly come before the meeting, the persons named in the enclosed form of proxy are ratified to and will vote said proxy in accordance with their judgment on such matters.

The cost of soliciting proxies in the accompanying form will be borne by us. Georgeson Shareholder Communications Inc. has been employed to solicit proxies by mail, telephone or personal solicitation for net fees to be paid by us of \$1,500, plus reasonable out-of-pocket expenses. A number of our regular employees, without additional compensation, may solicit proxies personally or by mail or telephone.

The Independent Auditors shall report directly to the Committee. The Committee shall have the responsibility and authority to approve in advance all audit and non–audit services to be provided by the Independent Auditors and may delegate authority to grant such pre–approvals to one or more members of the Committee with the requirement that such member or members present any decisions made pursuant to such delegated authority to the full Audit Committee at its next scheduled meeting;

Review with management and the Independent Auditors the preparation of the financial statements and related disclosures contained in the Company's annual and quarterly reports prior to being filed with the SEC, including (i) the Company's disclosure under "Management's Discussion and Analysis of Financial Condition and Result of Operations" and the results of the Independent Auditors' timely analysis of significant financial reporting issues and practices, including changes in, or adoptions of, accounting principles and disclosure practices; (ii) their judgments about the quality, not just acceptability, of accounting principles and the clarity of the financial disclosure practices used or proposed to be used; (iii) the degree of aggressiveness or conservatism of the Company's accounting principles and underlying estimates and judgments; (iv) reports from the Independent Auditors with respect to the critical accounting policies and practices of the Company, all alternative treatments of financial information within generally accepted accounting principles that have been discussed with management, ratifications of the use of such alternative disclosures and treatments, and the treatment preferred by the Independent Auditors and other material written communications between the Independent Auditors and management, such as any management letter or schedule of unadjusted differences; (v) the effect of regulatory and accounting initiatives, as well as off-balance sheet structures, on the financial statements; (vi) disclosure relating to related party transactions; and (vii) any difficulties encountered by the Independent Auditors in the course of the audit or disagreements or other matters brought to the Committee's attention, including management's response. After review, recommend to the Board the acceptance and inclusion of the annual audited consolidated financial statements in the Company's Annual Report on Form 10-K;
6. The Chair of the Audit Committee, or another member designated by the Committee, shall review and discuss with management, before release, the unaudited operating results in the Company's quarterly earnings release;

 16. Review and discuss with management the Company's practices regarding earnings press releases and the provision of financial information and earnings guidance by management to analysts and ratings agencies;
 17. Receive and review the reports of the Chief Executive Officer and Chief Financial Officer required by Section 302 of the Sarbanes-Oxley Act of 2002 ("Sarbanes-Oxley"), the certifications required by Sections 302 and 906 of Sarbanes-Oxley and the report and attestation required by Section 404 of Sarbanes-Oxley;
 18. Review with management (including the Company's chief legal officer or appropriate delegates) and the Independent Auditors legal and regulatory matters that may have a material effect on the Company's financial statements or related compliance policies, any correspondence with regulators or governmental agencies and any external or employee complaints or published reports that raise material issues regarding the Company's financial statements or accounting policies, and any material reports or inquiries received by the Company or any of its subsidiaries from regulators or governmental agencies;

To be timely, a stockholder's notice shall be delivered to the Secretary of the Corporation at the principal executive offices of the Corporation not less than ninety (90) days nor more than one hundred and twenty (120) days prior to the first anniversary of the preceding year's annual meeting; provided, however, that if

(C) General.

(1) Only persons who are nominated in accordance with the procedures set forth in this Section 2.03 shall be eligible to serve as directors and only such business shall be conducted at a meeting of stockholders as shall have been brought before the meeting in accordance with the procedures set forth in this Section 2.03. Notwithstanding the foregoing provisions of this Section 2.03, the Special Nominating Committee of the Board shall have the power to nominate special independent directors, all as provided in the Certificate of Incorporation of the Corporation.

(2) Except as otherwise provided by law, the Certificate of Incorporation or this Section 2.03, the chairman of the meeting shall have the power and duty to determine whether a nomination or any business proposed to be brought before the meeting was made in accordance with the procedures set forth in this Section 2.03 and, if any proposed nomination or business is not in compliance with this Section 2.03, to declare that such defective nomination or proposal shall be disregarded.

(3) For purposes of this Section 2.03, "public announcement" shall mean disclosure in a press release reported by the Dow Jones News Service, Associated Press or comparable national news service or in a document publicly filed by the Corporation with the Securities and Exchange Commission pursuant to Section 13, 14 or 15(d) of the Exchange Act.

(4) Notwithstanding the foregoing provisions of this Section 2.03, a stockholder shall also comply with all applicable requirements of the Exchange Act and the rules and regulations thereunder with respect to the matters set forth in this Section 2.03. Nothing in this Section 2.03 shall be deemed to affect any rights (i) of stockholders to request inclusion of proposals in the Corporation's proxy materials with respect to a meeting of stockholders pursuant to Rule 14a-8 under Exchange Act or (ii) of the holders of any series of Preferred Stock or any other series or class of stock as set forth in the Certificate of Incorporation to elect directors under specified circumstances or to consent to specific actions taken by the Corporation.

SECTION 2.03. *Nominations of Director Candidates.* (a) Nominations for the election of directors to be elected by a vote of the holders of Class A Common Stock (the "Class A Common Stock Directors") may be made by the Board, by a Committee appointed by the Board or by any holder of Class A Common Stock entitled to vote in the election of Class A Common Stock Directors, subject in each case to the provisions of the Stockholders' Agreement.

(b) Nominations for the election of directors to be elected by the holders of Common Stock (the "Common Stock Directors") may be made by the Board, by a committee appointed by the Board or by any holder of Common Stock entitled to vote in the election of the Common Stock Directors. Any holder of Common Stock entitled to vote in the election of Common Stock Directors may nominate one or more persons for election as Common Stock Directors at a stockholders' meeting only if written notice of such stockholder's intent to make such nomination or nominations has been given, either by personal delivery or by United States mail, postage prepaid, to the Secretary of the Corporation not later than (i) with respect to an election to be held at an annual meeting of stockholders, January 25, 1996 with respect to the 1996 annual meeting of stockholders, and with respect to subsequent annual meetings, 90 days prior to the anniversary date of the immediately preceding annual meeting, and (ii) with respect to an election to be held at a special meeting of stockholders for the election of directors, the close of business on the tenth day following the date on which notice of such meeting is first given to stockholders. A stockholder who does not comply with the foregoing procedure may be precluded from nominating a candidate for election as a director at a meeting of stockholders.

SECTION 2.04. *Election of Directors.* At each meeting of the stockholders for the election of directors, ~~(i) the holders of Common Stock shall be entitled by class vote, exclusive of all other stockholders, to elect the Corporation's directors, with each share of Common Stock entitled to one vote, such directors to be elected by a plurality of the votes cast at such election by the holders of Common Stock entitled to vote, and (ii) the holders of Class A Common Stock shall be entitled by class vote, exclusive of all other stockholders, to elect the remaining thirteen directors of the Corporation, one of whom shall be the President of the Corporation. In the event that all outstanding shares of Class A Common Stock shall be converted into shares of Common Stock (the effective date of the conversion of the last outstanding share of Class A Common Stock being the "Total Conversion Date"), then the thirteen members of the Corporation's Board of Directors who previously were elected by the holders of the Class A Common Stock pursuant to this Paragraph 2.04 shall, at the next annual meeting of stockholders following such Total Conversion Date (or at a special meeting called after the Total Conversion Date for the purpose of electing directors), be elected by the holders of Common Stock, with each share of Common Stock entitled to one vote.~~

SECTION 2.05. *Annual and Regular Meetings.* An annual meeting of the Board shall be held in each year on the day of the annual meeting of the stockholders, at such time as is convenient either before or after such meeting, at the place where such meeting is held or at such other place as may be fixed by the Board, and if so held no notice of such annual meeting need be given to any director of the Corporation. If the annual meeting of the Board shall not be so held on the day of the annual meeting of stockholders in any year, such meeting shall be held as soon thereafter as practicable, upon the notice provided for in Section 2.06 of this Article II in the case of special meetings, at such time and place (which may be within or outside the State of Delaware) as may be specified in the notice or waiver of notice of such meeting. The Board from time to time may provide for the holding of other regular meetings of the Board and fix the time and place (which may be within or outside of the State of Delaware) thereof. Notice of regular meetings shall not be required to be given; *provided*, however, that in case the Board shall fix or change the time or place of regular meetings, notice of such action shall be mailed promptly to each director who shall not have been present at the meeting at which such action was taken, addressed to him at his usual place of business. Any or all directors may participate in meetings of the Board or Committees of the Board by means of conference telephone or by any means of communication by which all persons participating in the meeting are able to hear each other, and such participation shall constitute presence in person at such meeting.

SECTION 2.06. *Special Meetings; Notice.* Special meetings of the Board shall be held whenever called by the Chairman of the Board, the President, the Chairman of the Executive Committee or by three of the directors at such time and place (which may be within or outside of the State of Delaware) as may be specified in the respective notices or waivers of notice thereof; *provided* that, if the Chairman is unable to serve by reason of death, disability or other cause beyond his control, the available director who is most senior in terms of length of service as a director, or, if there is more than one such available director of equal seniority, any such director, shall promptly call a special meeting of the Board to appoint an interim or replacement chairman. Except as otherwise required by statute, notice of each special meeting shall be mailed to each director addressed to him at his usual place of business at least three days before the day on which the meeting is to be held, or shall be sent to him at such place by telegram, cable, telex or facsimile, or if such notice is not feasible, shall be given by telephone or two-way radio, or shall be delivered personally, not later than one day before the day on which the meeting is to be held; *provided*, however, that if the meeting is to be held outside the United States, the notice, if mailed, shall be mailed at least ten days before the day on which the meeting is to be held, or, if sent by telegram, cable, telex or facsimile, or if such notice is not feasible, by telephone or two-way radio, or delivered personally, not later than five days before the day on which the meeting is to be held. Notice of any special meeting shall not be required to be given to any director who shall attend such meeting in person, or to any director who shall sign a waiver of

notice of such meeting, whether before or after the time of such meeting; and any such meeting shall be a valid meeting without any notice thereof having been given if all the directors shall be present thereat and none of them shall protest such lack of notice prior to the conclusion of the meeting. Notice of any adjourned meeting shall not be required to be given.

SECTION 2.07. *Quorum.* At meetings of the Board, the presence of eight Directors shall be necessary and sufficient to constitute a quorum for the transaction of business and the affirmative vote of a majority of the directors present shall be necessary for the adoption of any resolution or the taking of any action unless the matter is one for which by express provision of the Certificate of Incorporation or of these By-laws, or by law, a different vote is required. In the absence of a quorum, a majority of the directors present may adjourn the meeting from time to time until a quorum shall be present.

SECTION 2.08. *Organization.* The Chairman of the Board, or in his absence the President, shall preside at all meetings of the Board. SECTION 2.11. *Vacancies.* If any vacancy shall occur in the Board by reason of death, resignation, disqualification, removal or other, the remaining directors shall continue to act. Subject to Section 2.09 of this Article and ~~Section 2.2~~**the provisions** of the ~~Stockholders' Agreement~~**Corporation's Certificate of Incorporation relating to special independent director vacancies**, vacancies shall be filled by the affirmative vote of a majority of the remaining directors then in office, even though less than a quorum of the Board. Such title shall be honorary only, and a Director Emeritus shall not be a "Director" as that term is used in these By-Laws or in any document of the Corporation. Any such Director Emeritus shall have no duties or responsibilities to the Corporation, nor any authority to act on behalf of the Corporation or receive any compensation from it solely by virtue of holding such title.

ARTICLE III.

who shall sign a waiver of notice of such meeting, whether before or after the time of such meeting; and any such meeting shall be a valid meeting without any notice thereof having been given if all the members shall be present thereat (a member being deemed present if his alternate is present) and none of them shall protest such lack of notice prior to the conclusion of the meeting. **ARTICLE IX.
INDEMNIFICATION.**

SECTION 9.01. *General.* The Corporation shall indemnify against Liabilities (as hereinafter defined) and advance Expenses (as hereinafter defined) to an Indemnitee (as hereinafter defined) to the fullest extent permitted by applicable law and as provided in this Article.

SECTION 9.02. *Proceedings Other Than Proceedings by or in the Right of the Corporation.* An Indemnitee shall be entitled to the indemnification provided in this Section 9.02 if, by reason of his being or having been a Corporate Agent (as hereinafter defined), he is, or is threatened to be made, a party to any threatened, pending or completed Proceeding (as hereinafter defined), other than a Proceeding by or in the right of the Corporation. Pursuant to this Section 9.02, an Indemnitee shall be indemnified against Expenses and Liabilities actually and reasonably incurred by him or on his behalf in connection with such Proceeding or any claim, issue or matter therein, if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Corporation, and, with respect to any criminal Proceeding, had no reasonable cause to believe his conduct was unlawful.

SECTION 9.03. *Proceedings by or in the Right of the Corporation.* An Indemnitee shall be entitled to the indemnification provided in this Section 9.03 if, by reason of his being or having been a Corporate Agent, he is, or is threatened to be made, a party to any threatened, pending or completed Proceeding brought by or in the right of the Corporation to procure a judgment in its favor. Pursuant to this Section 9.03, an Indemnitee shall be indemnified against Expenses actually and reasonably incurred by him or on his behalf in connection with such Proceeding and against any amount paid in settlement of such Proceeding if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Corporation. Notwithstanding the foregoing, no indemnification against such Expenses shall be made in respect of any claim, issue or matter in such Proceeding as to which the Indemnitee shall have been adjudged to be liable to the Corporation, unless and only to the extent that the Court of Chancery of the State of Delaware or the court in which such Proceeding was brought shall decide that, despite the adjudication of liability, the Indemnitee is fairly and reasonably entitled to indemnity for such Expenses in view of all the circumstances of the case; *provided* further, that, with respect to indemnification for settlement of any such Proceeding, the Corporation shall provide indemnification only if either the amount paid in settlement is reasonable under all the facts and circumstances, including its relationship to the estimated expense of litigating the Proceeding to conclusion, or the Court of Chancery of the State of Delaware, or the court in which such Proceeding was brought or is pending, shall determine, upon application, that in view of all the circumstances of the case, the Indemnitee is fairly and reasonably entitled to indemnification for such settlement. No indemnification for amounts paid in settlement of any such Proceeding shall be required unless the Corporation has given its prior consent to such settlement.

SECTION 9.04. *Indemnification for Expenses of a Party Who is Wholly or Partially Successful.* Notwithstanding any other provision of this Article, to the extent that an Indemnitee is, by reason of his being or having been a Corporate Agent, a party to any Proceeding and is successful, on the merits or otherwise, in such Proceeding, he shall be indemnified against all Expenses actually and reasonably incurred by him or on his behalf in connection therewith. If an Indemnitee is not wholly successful in such Proceeding but is successful, on the merits or otherwise, as to one or more but less than all claims, issues or matters in such Proceeding, the Corporation shall indemnify such Indemnitee against all Expenses actually and reasonably incurred by him or on his behalf in connection with each successfully resolved claim, issue or matter. For purposes of this Section 9.04 and without limitation, the termination of any claim, issue or matter in such a Proceeding by dismissal, with or without prejudice, shall be deemed to be a successful result as to such claim, issue or matter.

SECTION 9.05. *Indemnification for Expenses of a Witness.* Notwithstanding any other provision of this Article, to the extent that an Indemnitee is, by reason of his being or having been a Corporate Agent, a witness in any Proceeding, he shall be indemnified against all Expenses actually and reasonably incurred by him or on his behalf in connection therewith.

SECTION 9.06. *Advancement of Expenses.* The Corporation shall advance all reasonable Expenses incurred by or on behalf of an Indemnitee in connection with any Proceeding upon the receipt by the Corporation of a statement or statements from the Indemnitee requesting such advance or advances from time to time, whether prior to or after final disposition of such Proceeding. Such statement or statements shall reasonably evidence the Expenses incurred by the Indemnitee or refer to invoices or bills for Expenses furnished or to be furnished directly to the Corporation, and shall include or be preceded or accompanied by an undertaking by or on behalf of the Indemnitee to repay any Expenses advanced unless it shall ultimately be determined pursuant to Section 9.07 of this Article that the Indemnitee is entitled to be indemnified against such Expenses.

SECTION 9.07. *Procedure for Determination of Entitlement to Indemnification.*

(a) To obtain indemnification under this Article, an Indemnitee shall submit to the Corporation a written request for indemnification, and provide for the furnishing to the Corporation of such documentation and information as is reasonably available to the Indemnitee and is reasonably necessary to determine whether and to what extent the Indemnitee is entitled to indemnification. The Secretary of the Corporation shall, promptly upon receipt of such a request for indemnification, advise the Board in writing that the Indemnitee has requested indemnification.

(b) Upon written request by an Indemnitee for indemnification pursuant to Section 9.07(a) hereof, a written determination with respect to the Indemnitee's entitlement thereto shall be made: (i) if a Change in Control (as hereinafter defined) shall have occurred, by Independent Counsel (as hereinafter defined); (ii) if a Change in Control shall not have occurred, (A) by the Board by a majority vote of the Disinterested Directors (as hereinafter defined) even though less than a quorum, or (B) by a majority vote of a quorum of Disinterested Directors on a Committee of the Board, or (C) by Independent Counsel; and, if it is so determined that the Indemnitee is entitled to indemnification, payment to the Indemnitee shall be made in a timely fashion. An Indemnitee shall cooperate with the person, persons or entity making such determination with respect to the Indemnitee's entitlement to indemnification, including providing to such person, persons or entity upon reasonable advance request any documentation or information which is not privileged or otherwise protected from disclosure and which is reasonably available to the Indemnitee and reasonably necessary to such determination. Any costs or expenses (including attorneys' fees and disbursements) incurred by an Indemnitee in so cooperating with the person, persons or entity making such determination shall be borne by the Corporation (irrespective of the determination as to an Indemnitee's entitlement to indemnification).

(c) In the event the determination of entitlement is to be made by Independent Counsel pursuant to Section 9.07(b) of this Article, the Independent Counsel shall be selected as provided in this Section 9.07(c). If a Change in Control shall not have occurred, the Independent Counsel shall be selected by the Board or a Committee thereof, and the Corporation shall give written notice to the Indemnitee advising him of the identity of the Independent Counsel so selected. If a Change of Control shall have occurred, the Independent Counsel shall be selected jointly by the Indemnitee and the Board or a Committee thereof. In the event that the Board or a Committee thereof cannot agree with the Indemnitee on the choice of Independent Counsel, such Counsel shall be selected by the Board or a Committee thereof from among the New York City law firms having more than 100 attorneys. The Corporation shall pay any and all reasonable fees and expenses of Independent Counsel incurred by such Independent Counsel in connection with acting pursuant to Section 9.07(b) hereof, and the Corporation shall pay all reasonable fees and expenses incident to the

procedures of this Section 9.07(c), regardless of the manner in which such Independent Counsel was selected or appointed.

SECTION 9.08. *Presumptions and Effect of Certain Proceedings.*

(a) If a Change in Control shall have occurred, in making a determination with respect to entitlement to indemnification hereunder, the person, persons or entity making such determination shall presume that an Indemnitee is entitled to indemnification under this Article if the Indemnitee has submitted a request for indemnification in accordance with Section 9.07(a) of this Article, and the Corporation shall have the burden of proof to overcome that presumption in connection with the making by any person, persons or entity of any determination contrary to that presumption.

(b) If the person, persons or entity empowered or selected under Section 9.07 of this Article to determine whether an Indemnitee is entitled to indemnification shall not have made such determination in a timely fashion after receipt by the Corporation of the request therefor, the requisite determination of entitlement to indemnification shall be deemed to have been made and the Indemnitee shall be entitled to indemnification, absent (i) a misstatement by the Indemnitee of a material fact, or an omission of a material fact necessary to make the Indemnitee's statement not materially misleading, in connection with the request for indemnification, or (ii) a prohibition of such indemnification under applicable law.

(c) The termination of any Proceeding or of any claim, issue or matter therein by judgment, order, settlement or conviction, or upon a plea of *nolo contendere* or its equivalent, shall not (except as otherwise expressly provided in this Article) of itself adversely affect the right of an Indemnitee to indemnification or create a presumption that an Indemnitee did not act in good faith and in a manner which he reasonably believed to be in or not opposed to the best interests of the Corporation or, with respect to any criminal Proceeding, that an Indemnitee had reasonable cause to believe that his conduct was unlawful.

(d) Every Indemnitee shall be presumed to have relied upon this Article in serving or continuing to serve as a Corporate Agent.

SECTION 9.09. *Indemnification of Estate; Standards for Determination.* If an Indemnitee is deceased and would have been entitled to indemnification under any provision of this Article, the Corporation shall indemnify the Indemnitee's estate and his spouse, heirs, administrators and executors. When the Board, a Committee thereof or Independent Counsel acting in accordance with Section 9.07 of this Article in determining the availability of indemnification under Sections 9.02, 9.03, 9.04 or 9.05 and when an Indemnitee is unable to testify on his own behalf by reason of his death or mental or physical incapacity, said Board, Committee or Counsel shall deem the Indemnitee to have satisfied applicable standards set forth in Sections 9.02, 9.03, 9.04 or 9.05 unless it is affirmatively demonstrated by clear and convincing evidence that indemnification is not available under Sections 9.02, 9.03, 9.04 or 9.05. When requested in writing by the spouse of an Indemnitee and/or the heirs, executors or administrators of an Indemnitee's estate, the Corporation shall provide appropriate evidence of this By-Law.

SECTION 9.10. *Limitation of Actions and Release of Claims.* No legal action shall be brought and no cause of action shall be asserted by or on behalf of the Corporation or its affiliates (as hereinafter defined) against an Indemnitee, his spouse, heirs, executors or administrators after the expiration of two years from the date the Indemnitee ceases (for any reason) to serve as a Corporate Agent, and any claim or cause of action of the Corporation or its affiliates shall be extinguished and deemed released unless asserted by filing of a legal action within such two-year period.

SECTION 9.11. *Other Rights and Remedies of Indemnitee.*

(a) The Corporation, on behalf of Indemnitees, may arrange for such insurance covering such Liabilities and Expenses arising from actions or omissions of an Indemnitee in his capacity as a Corporate Agent as is obtainable and is reasonable and appropriate in cost and amount.

(b) In the event that (i) a determination is made pursuant to Section 9.07 of this Article that an Indemnitee is not entitled to indemnification under this Article, (ii) advancement of Expenses is not timely made pursuant to Section 9.06 of this Article, (iii) the determination of entitlement to indemnification is to be made by Independent Counsel pursuant to Section 9.07(b) of this Article and such determination shall not have been made and delivered in a written opinion in a timely fashion after receipt by the Corporation of the request for indemnification, (iv) payment of indemnification is not made pursuant to Section 9.05 of this Article in a timely fashion after receipt by the Corporation of a written request therefor, or (v) payment of indemnification is not made in a timely fashion after a determination has been made that an Indemnitee is entitled to indemnification or such determination is deemed to have been made pursuant to Section 9.08 of this Article, the Indemnitee shall be entitled to an adjudication in the Court of Chancery of the State of Delaware, or in any other court of competent jurisdiction, of his entitlement to such indemnification or advancement of Expenses. Alternatively, the Indemnitee, at his option, may seek an award in arbitration to be conducted by a single arbitrator pursuant to the rules of the American Arbitration Association. The Indemnitee shall commence such proceeding seeking an adjudication or an award in arbitration in a timely manner following the date on which the Indemnitee first has the right to commence such Proceeding pursuant to this Section 9.11(b). The Corporation shall not oppose the Indemnitee's right to seek any such adjudication or award in arbitration.

(c) In the event that a determination shall have been made pursuant to Section 9.07 of this Article that an Indemnitee is not entitled to indemnification, any judicial proceeding or arbitration commenced pursuant to this Section 9.11 shall be conducted in all respects as a *de novo* trial or arbitration on the merits, and the Indemnitee shall not be prejudiced by reason of that adverse determination. If a Change in Control shall have occurred, in any judicial proceeding or arbitration commenced pursuant to this Section 9.11 the Corporation shall have the burden of proving that the Indemnitee is not entitled to indemnification or advancement of Expenses, as the case may be.

(d) If a determination shall have been made or deemed to have been made pursuant to Sections 9.07 or 9.08 of this Article that an Indemnitee is entitled to indemnification, the Corporation shall be bound by such determination in any judicial proceeding or arbitration commenced pursuant to this Section 9.11, absent (i) a misstatement by the Indemnitee of a material fact, or an omission of a material fact necessary to make the Indemnitee's statement not materially misleading, in connection with the request for indemnification, or (ii) a prohibition of such indemnification under applicable law.

(e) The Corporation shall be precluded from asserting in any judicial proceeding or arbitration commenced pursuant to this Section 9.11 that the procedures and presumptions of this Article are not valid, binding and enforceable and shall stipulate in any such court or before any such arbitrator that the Corporation is bound by all the provisions of this Article.

(f) In the event that an Indemnitee, pursuant to this Section 9.11, seeks a judicial adjudication of, or an award in arbitration to enforce his rights under, or to recover damages for breach of, this Article, the Indemnitee shall be entitled to recover from the Corporation, and shall be indemnified by the Corporation against, any and all expenses (of the types described in the definition of Expenses in Section 9.15 of this Article) actually and reasonably incurred by him in such judicial adjudication or arbitration, but only if he prevails therein. If it shall be determined in said judicial adjudication or arbitration that the Indemnitee is entitled to receive part but not all of the indemnification or advancement of Expenses sought, the Expenses incurred by the Indemnitee in connection with such judicial adjudication or arbitration shall be appropriately prorated.

SECTION 9.12. *Non-Exclusivity; Survival of Rights; Subrogation.*

(a) The rights of indemnification and to receive advancement of Expenses as provided by this Article shall not be deemed exclusive of any other rights to which an Indemnitee may at any time be

entitled under applicable law, the Certificate of Incorporation of the Corporation or any affiliate, the By-Laws of the Corporation or any affiliate, any agreement, any insurance policy maintained or issued, directly or indirectly, by the Corporation or any affiliate, a vote of stockholders, a resolution of Disinterested Directors, or otherwise. No amendment, alteration or repeal of this Article or of any provision hereof shall be effective as to any Indemnitee with respect to any action taken or omitted by such Indemnitee as a Corporate Agent prior to such amendment, alteration or repeal. The provisions of this Article shall continue as to an Indemnitee whose status as a Corporate Agent has ceased and shall inure to the benefit of his heirs, executors and administrators.

(b) In the event of any payment under this Article, the Corporation shall be subrogated to the extent of such payment to all of the rights of recovery of the Indemnitee, who shall execute all papers required and take all action necessary to secure such rights, including execution of such documents as are necessary to enable the Corporation to bring suit to enforce such rights.

(c) The Corporation shall not be liable under this Article to make any payment of amounts otherwise indemnifiable hereunder if and to the extent that the Indemnitee has otherwise actually received such payment under any insurance policy, contract, agreement or otherwise.

SECTION 9.13. *Severability.* If any provision or provisions of this Article shall be held to be invalid, illegal or unenforceable for any reason whatsoever: (a) the validity, legality and enforceability of the remaining provisions of this Article (including without limitation, each portion of any Section of this Article containing any such provision held to be invalid, illegal or unenforceable, that is not itself invalid, illegal or unenforceable) shall not in any way be affected or impaired thereby; and (b) to the fullest extent possible, the provisions of this Article (including, without limitation, each portion of any Section of this Article containing any such provision held to be invalid, illegal or unenforceable, that is not itself invalid, illegal or unenforceable) shall be construed so as to give effect to the intent manifested by the provision held invalid, illegal or unenforceable.

SECTION 9.14. *Certain Persons Not Entitled to Indemnification or Advancement of Expenses.* Except as expressly provided in Section 9.11(b) and (f) of this Article, no person shall be entitled to indemnification or advancement of Expenses under this Article with respect to any Proceeding, or any claim therein, brought or made by him against the Corporation.
