VOTING SECURITIES

Our Amended and Restated Certificate of Incorporation, as amended (the “Certificate”) provides that the number of Directors shall be fixed from time to time by resolution of a majority of the Board of Directors, provided that the number of directors shall not be less than six or more than fifteen. The Board of Directors at its meeting held on January 29, 2009 fixed the number of directors at thirteen. The directors are elected by the Common Stockholders, with each share of Common Stock outstanding at the March 3, 2009 record date entitled to one vote at the annual meeting.

A plurality of the votes cast by you is required for the election of the thirteen directors. Abstentions and broker non-votes are counted for quorum purposes but are not counted either as votes cast “For” or “Against” any nominee. A broker “non-vote” occurs when a broker submits a proxy card with respect to shares of Common Stock held in a fiduciary capacity (typically referred to as being held in “street name”) but declines to vote on a particular matter because the broker has not received voting instructions from the beneficial owner.

The affirmative vote of a majority of the votes cast in person or by proxy at the meeting by the holders of shares of Common Stock entitled to vote thereon is required to ratify the selection of the independent accountants described in this proxy statement. Abstentions and broker non-votes are counted for quorum purposes but are not counted either as votes cast “For” or “Against” the proposal to ratify the selection of the independent accountants described in this proxy statement.

When a Common Stockholder participates in the Dividend Reinvestment Plan applicable to our Common Stock, the Common Stockholder’s proxy to vote shares of Common Stock will include the number of shares held for

him by The Bank of New York Mellon, the agent under the plan. If you do not send any proxy, the shares held for your account in the Dividend Reinvestment Plan will not be voted.

Quorum

Our by-laws provide that the presence in person or by proxy of the Common Stockholders of record holding a majority of the outstanding shares of Common Stock entitled to vote at the meeting shall constitute a quorum for purposes of electing directors and voting on proposals other than the election of directors.

COMPENSATION COMMITTEE REPORT

Our Company was acquired late in 1999 by Grupo Mexico, our indirect majority stockholder, which currently owns approximately 79.76% of our stock. COMPENSATION DISCUSSION AND ANALYSIS

This Compensation Discussion and Analysis relates to and should be read together with our Summary Compensation Table and the information on related party transactions in this proxy statement.

Background and Role of Executive Officers in Determining Compensation:

The compensation of our executive officers is determined by our Chairman and other key executive officers, including Mr. Oscar González Rocha. Mr. Oscar González Rocha does not participate in any decision relating to his own compensation. Similarly, Messrs. Genaro Guerrero Diaz Mercado, our Vice President, Finance and Chief Financial Officer, Xavier García de Quevedo Topete, our Chief Operating Officer, José de los Heros Ugarte, our Vice President, Commercial, and José N. Chirinos, our Comptroller, do not participate in any discussion relating to their respective compensations.

We are providing in satisfaction of applicable rules of the SEC information regarding compensation paid by us, or by one or more of our subsidiaries, to Messrs. Oscar González Rocha, Genaro Guerrero Diaz Mercado, José N. Chirinos, Xavier García de Quevedo Topete, and José de los Heros Ugarte. Mr. Oscar González Rocha joined us in late 1999 after having an outstanding career at Grupo Mexico and has been receiving compensation from us since March 2000. Mr. Genaro Guerrero Díaz Mercado was appointed Vice President, Finance and Chief Financial Officer on January 2, 2008. Mr. José N. Chirinos has more than 40 years of service with us, having held various positions in accounting, administration, and finance. Mr. Xavier García de Quevedo Topete joined us in September 2001 after serving as President of Grupo Ferroviario Mexicano, S.A. de C.V. and of Ferrocarril Mexicano, S.A. de C.V. Mr. José de los Heros Ugarte was appointed our Vice President, Commercial in November 2008 after having held various commercial positions within the Company since 1983.

Mr. Germán Larrea Mota-Velasco, our Chairman, is an executive officer of Grupo Mexico and is compensated by Grupo Mexico. Mr. Larrea has only received fees and stock awards for his services as member of our Board of Directors.

Compensation Objectives:

Our objectives in compensating our executive officers are to encourage the achievement of our business objectives and superior corporate performance by them. Our business objectives include increasing production and lowering costs in a safe environment, maintaining customer satisfaction, market leadership, and enhancing shareholder value. The principal objective of our compensation practices is to reward and retain executives with key core competency critical to our long-term management strategy. We reward for results rather than on the basis of seniority, tenure or other entitlement. We believe that our executive compensation practices align compensation with our business values and strategy.

What Is Our Compensation Designed to Reward?

Our compensation is designed to reward our executive officers for their efforts and dedication to us and for their ability to attract, motivate, and energize a high-performance leadership team, encouraging innovation in our employees, conceptualizing key trends, evaluating strategic decisions, and continuously challenging our employees to sharpen their vision and excel in performing their duties. We also reward our executive officers for achieving the business plans that the Board has approved, for unique accomplishments and achievements, and for their leadership in managing our affairs in the locations in which we operate, mainly Peru and Mexico.

Why We Choose to Compensate Our Executives?

We choose to compensate our employees, including our executive officers, to grant them basic economic security at levels consistent with competitive local practices. We believe that the compensation we provide to our employees, including our executive officers, permits us to retain our highly skilled and qualified workforce.

We are required to grant our employees certain elements of compensation mandated by Peruvian and Mexican law, as applicable. Peruvian and Mexican law requires us to pay salaries to our employees commensurate with each job requirements and the experience and skills of every employee. The level of each salary is determined by us. We pay salaries and bonuses to reward and retain our excellent employees, including our executive officers. We also provide other Company sponsored benefits to remain competitive in the Peruvian and Mexican labor markets and to reward our employees, including our executive officers. The Peruvian five percent increase in monthly salary for each five years of service evolved as a benefit bargained by our labor unions and was later on extended to all salaried employees. The Peruvian vacation bonus and vacation travel benefits evolved from our practice of compensating expatriate employees who worked in Peru and was later extended to certain key salaried employees, including executive officers working in Peru.

How Do We Determine Each Element of Compensation?

The Company's management team and Compensation Committee make the decisions to grant salary increases and bonuses for the executive officers of the Company after a thorough analysis of numerous factors, including among others, the responsibilities and performance of each executive officer measured in the areas of production, safety and environmental responsiveness (both individually and as compared to other officers of the Company). In addition, management and the Compensation Committee consider years of service, future challenges and objectives, the potential contributions of each officer to the future success of our Company, total executive compensation, and the Company's overall financial performance. Peruvian and Mexican law requires us to pay salaries to our employees commensurate with each employees' job requirements, experience and skills, and to share 8% of the annual pre-income tax profits of our Peruvian Branch with our Peruvian employees and 10% of the annual pre-income tax profits of our Mexican operation with our Mexican employees.

When we increase base salaries for our executive officers, we use a tabulation which is revised every year to adjust for inflation in Mexico and Peru. The base salary increases take into account the individual's position, as well as his or her results and job performance in the relevant year. Base salary increases are not granted indiscriminately to employees. Instead, they are granted to reward individuals who facilitate the achievement of the Company's corporate goals. Our corporate goals include increasing production and lowering costs in a safe environment, maintaining customer satisfaction and market leadership, and enhancing shareholder value.

As reflected in the Summary Compensation Table below, in 2008 we increased the base salaries of Oscar González Rocha, José N. Chirinos, and Xavier García de Quevedo Topete. The increases to each of Messrs. González Rocha, Chirinos, and García de Quevedo Topete base salaries were granted to reflect inflation of 6.5% in Mexico and 6.7% in Peru, as well as our financial results of 2008, and to reward each of them for their performance throughout the year and their substantial contributions to the Company's overall financial performance. The salaries of Messrs. González Rocha and Chirinos are paid in Nuevos Soles, the local currency of Peru and, therefore, reflect the 4.8% devaluation of the Nuevo Sol in 2008 when converted to U.S. Dollars.

We promote our named executive officers from within our organization and we hire new executives through recruiters. We also use Hay Group and Intergama, Human Resource consulting firms, which provide us with comparative salary data for the sought position extracted from their database relating to comparable companies in Mexico and Peru.

The salaries provided by the Human Resources consultants from their database are used by us as an indication of the market salaries prevailing in Peru and Mexico. In Peru, the consultants provide us with salaries, which they report were paid or offered to potential candidates by mining companies operating in Peru. The reports of the Human Resources consultants have included in the past salary information from Peruvian companies or their Peruvian subsidiaries, such as the following: Xstrata Peru, Minera Yanacocha Peru, Compañía de Minas Buenaventura S.A.A., Compañía Minera Atacocha S.A.A., Minera Andina de Exploraciones S.A.A., Minsur S.A., Perubar S.A., Shougang Hierro Peru, S.A.A., and Sociedad Minera Cerro Verde S.A.A. In Mexico, the consultants have provided us with salaries, which they reported were paid or offered to potential candidates by mining companies operating in Mexico. The reports of the Human Resources consultants have included in the past salary information from Mexican companies or their Mexican subsidiaries, such as the following: Newmont Mining Corporation, Pan American Silver Corporation, Industrias Peñoles, S.A.B. de C.V., Grupo Bacis S.A. de C.V.,

Mexicoro S.A. de C.V., Minera BHP, and Minera Phelps Dodge de Mexico S. de R.L. de C.V. The above listing is for illustration purposes only, as the list of companies used by Human Resources consultants may vary from year to year. Additionally, we have not made an independent verification of the salary information reported by the Human Resources consultants.

We factor this comparative salary information into our decision making process by targeting our personnel compensation policies, including the compensation of the named executive officers, generally toward the median and third quartile of market compensation.

In 2006 and 2007, the reported median base salaries for S&P MidCap 400 chief executives were \$737,500, and \$750,000, respectively. Although the 2008 report was not available at the time of print, we predict that the median base salary for 2008 would increase similarly to last year. Even though we are not one of the constituent companies of the S&P MidCap 400 index, we have a market capitalization that would permit us to compare ourselves with the companies that comprise the index. We have compared the 2006 and 2007 salaries of Mr. Oscar González Rocha with the reported median base salaries of S&P MidCap 400 chief executives and determined that the salaries paid are below the reported median. Similarly, we believe that the salary of Mr. Oscar González Rocha in 2008 will be below the reported median for 2008.

The amount and formula applicable to the other benefits are mandated by Peruvian and Mexican law or are sponsored by us for all salaried employees.

Under Section 162(m) of the Internal Revenue Code of 1986, as amended, we may not deduct, with certain exceptions, compensation in excess of \$1 million to the Chief Executive Officer and our four other highest paid executive officers as required to be reported in our proxy statement. We do not believe that Section 162(m) will have any immediate material impact on us because, among other things, our officers' salaries do not enter into the calculation of US source taxable income. We will, however, continue to monitor our executive compensation programs to ensure their effectiveness and efficiency in light of our needs, including Section 162(m).

How Does Each Element and Our Decisions Regarding That Element Fit Into Our Overall Compensation Objectives and Affect Decisions Regarding Other Elements?

We take into account each element of compensation to determine the overall compensation of our executives. It is our practice to grant relatively small salary increases commensurate with the cost of living increases in Peru and Mexico and tailor the amount of the incentive cash payments to balance the amounts of compensation mandated by Peruvian and Mexican law, principally the amounts received as profit participations. In years in which the profit participation is high, the bonus or incentive cash payment will be reduced. In years in which the profit participation is relatively modest, if our financial conditions permit, we tend to increase the amount paid in cash incentives.

Summary:

Our compensation practices are designed to comply with the requirements of Peruvian and Mexican law and with our goals and objectives to retain our key executives and reward them appropriately for their positive results. We continue to monitor our compensation practices to remain competitive in the marketplace and to reward our executives for results that are consistent with the long-term interest of our Company and our stockholders.

Peruvian Compensation Practices:

Our Peruvian compensation practices take into account many factors, including individual performance and responsibilities, years of service, elements of compensation mandated by Peruvian law, future challenges and objectives, contributions to the future success of our Company, the executive's total compensation, and our financial performance. We may also look at the compensation levels of comparable companies.

Our executive officers receive cash-based compensation, which is currently paid. The cash-based compensation has two principal components: base salary and bonus, which are discretionary, and compensation mandated by Peruvian law. We also sponsor programs to recruit and retain qualified employees working in Peru. Additionally, Grupo Mexico offers certain key employees, including our executive officers, a stock purchase plan (the “Employee Stock Purchase Plan”) under which Grupo Mexico grants the participants a bonus of one share for every ten shares purchased at the end of eight years. See the description of the Employee Stock Purchase Plan under Stock Options and Stock Purchase Plans below.

The payment of bonuses is discretionary and we do not necessarily pay bonuses every year. The payment of bonuses and the amount of the same depend, among other things, on our financial performance, our intensive capital investment plan, our future cash flow generation from operations, and our liquidity in general.

We do not provide compensation tied to specific pre-determined individual or Company performance criteria or long-term incentive compensation. Since 2000 we have not used the Southern Copper Corporation Incentive Compensation Plan to grant incentive cash payments to our executive officers or to our other key employees.

The cash incentive payments granted to our executives are not based on pre-established performance targets or on targets that have been previously communicated to the executives. The granting of the award and the amount of each award are discretionary and substantially uncertain until we decide to award them, generally at the beginning of each year.

All our employee compensation is denominated in Peruvian Nuevos Soles. We convert the Peruvian Nuevos Soles into U.S. dollars using the average exchange rate for the applicable period.

Stock Options:

We have not granted stock options to any of our executive officers since 2000 in Peru. The Stock Incentive Plan, under which options and stock awards could have been granted, expired by its terms on January 1, 2006.

Stock Purchase Plans of Grupo Mexico:

Grupo Mexico offers eligible employees the Employee Stock Purchase Plan through a trust that acquires shares of Grupo Mexico for future sales to our employees, and employees of our subsidiaries and certain affiliated companies. Sales are at the approximate fair market value. Every two years employees will be able to purchase shares subscribed for purchase in the previous two years. The employees will pay for shares purchased through monthly payroll deductions over the eight year period of the plan. At the end of the eight year period, Grupo Mexico will grant the participant a bonus of one share for every ten shares purchased by the employee. If Grupo Mexico pays dividends on shares during the eight year period, the participant will be entitled to receive the dividend in cash for all shares that have been fully purchased and paid as of the date that the dividend is paid. If the participant has only partially paid for shares, the entitled dividends will be used to reduce the remaining liability owed for purchased shares. Certain key employees, including Messrs. Oscar González Rocha and José N. Chirinos have purchased shares and received bonuses under this plan. These amounts are reflected in the Summary Compensation Table under the Stock Bonus column.

Grupo Mexico also offers a stock purchase plan for certain members of executive management (“Executive Stock Purchase Plan”). Under this plan, participants receive incentive cash bonuses which are used to purchase up to 2,250,000 shares of Grupo Mexico over an eight year period. Mr. Oscar González Rocha received an incentive cash bonus in 2006 to purchase shares under this plan, which is reflected in the Summary Compensation Table under the Bonus column.

Pension Plans:

The Company has two non-contributory defined benefit pension plans covering former salaried employees in the United States and certain former employees in Peru. Messrs. Oscar González Rocha, Mr. José N. Chirinos and José de los Heros Ugarte are not covered by our non-contributory retirement plans. They are covered by the Peruvian private pension system (“AFP”), a mandatory pension system. As required by Peruvian law, we retain every month a percentage of their salary and deposit the amount into their individual AFP accounts. The percentage of the monthly salary retained and deposited varies each year and has ranged from 8% to 10% over the years. Employees, including Mr. Chirinos, hired prior to 1995, received in 1995 a 13.53% salary increase to compensate them for the new deduction established by Peruvian law to participate in the mandatory pension system. Mr. Chirinos received payments of \$19,661 in 2008, \$18,354 in 2007, and \$17,560 in 2006 pursuant to the requirements of the AFP law. Mr. José de los Heros Ugarte also received a payment in 2008 under this plan, which is included in the gross salary reported for Mr. de los Heros Ugarte.

Severance Benefits:

We do not have corporate plans providing severance benefits to our executives. Our executive officers only receive severance benefits provided by Peruvian law. If the employee is terminated by us and he or she has a fixed-term employment agreement, Peruvian law requires that we pay the employee salaries for the remaining of the term of his or her employment agreement. Peruvian law also provides that if the employee has been dismissed without cause, he or she is entitled to one and one-half monthly salary for each year of service up to a maximum of eight years or twelve monthly salaries. Peruvian law also provides that at the termination of employment an employee will be able to withdraw the full amount of the compensation for the years of service, known as CTS (“Compensación por Tiempo de Servicios”) in Peru, described below. Our executive officers do not have change of control employment agreements. Our Peruvian employees, including Mr. José N. Chirinos and Mr. José de los Heros Ugarte, do not have employment agreements.

Expatriate Employees:

Pursuant to Peruvian laws concerning expatriate employees, Mr. Oscar González Rocha entered into an employment agreement. The employment agreement is in effect for a term of one year and may be extended for additional periods. In accordance with the terms of the employment agreement, the Company has agreed to provide Mr. Oscar González Rocha (and any other expatriate employees) with benefits as required by Peruvian law. Under the employment agreement, Mr. Oscar González Rocha may resign at any time by providing us with 30 days’ notice. The employment agreement also provides that we may dismiss Mr. Oscar González Rocha for serious offenses as established by Peruvian law. Terminated employees are also entitled to receive severance benefits as required by Peruvian law. Our non-Peruvian contract employees and their dependents receive travel benefits to return to their home country at the end of each year and return to Peru at the commencement of each year of the contract. Additionally, this benefit includes travel to their home country at the termination of the contract.

Discretionary Cash Compensation:

(a) Base Salary:

Messrs. González Rocha and Chirinos received, respectively, \$494,217 and \$209,616 in 2008, \$456,007 and \$189,443 in 2007, and \$405,764 and \$178,754 in 2006 as annual salary. Additionally, Mr. José de los Heros Ugarte received \$151,632 in 2008 as annual salary.

The base salary of Mr. Oscar González Rocha increased 8% in 2008, 12% in 2007 and 10% in 2006. The base salary of Mr. José N. Chirinos increased 10% in 2008, 6% in 2007 and 4% in 2006. Mr. Oscar González Rocha’s base salary at the commencement of his services with us is reflected in an employment agreement mandated by Peruvian law. The base salaries of our executive officers follow the guidelines of salaries of other key employees of the Company.

(b) Bonus:

Mr. Oscar González Rocha received cash incentive payments of \$86,573 in 2008, \$143,538 in 2007, and \$353,137 in 2006 in recognition of his performance and to reward him for his leadership, vision and focus. Mr. González Rocha's bonus for 2006 includes a cash bonus used to purchase Grupo Mexico shares, which is reflected in the Summary Compensation Table under the Bonus column. Additionally, Mr. José N. Chirinos received cash incentive payments of \$49,912 in 2008, \$41,377 in 2007, and \$38,668 in 2006, and Mr. José de los Heros Ugarte received \$37,535 in 2008 also in recognition of their performance. Also, see "Stock Purchase Plans of Grupo Mexico" above.

Peruvian Mandated Cash Compensation:

(a) Profit Sharing in the Profits of Our Peruvian Branch:

Peruvian law requires that we, as well as all other mining companies in Peru, share 8% of the annual pre-income tax profits of our Branch with all our workers (salaried and non-salaried). This benefit is payable in cash to each employee in an amount not to exceed 18 times his or her monthly salary. The excess is paid to a Peruvian pro-employment fund and to the regional governments where we operate, that is to say, the regional governments of Lima, Arequipa, Moquegua, and Tacna in Peru.

Messrs. González Rocha, Chirinos, and de los Heros Ugarte received, respectively, \$365,976, \$207,455, and \$140,419 in 2008 as a participation in the pre-tax earnings of our Peruvian Branch. These amounts are reflected in the Summary Compensation Table under the All Other Compensation column.

(b) Peruvian Legal Holiday Bonuses:

Peruvian law also requires payment each year of one month's salary to each employee as a bonus for Peruvian Independence holidays and Christmas.

In 2008, Messrs. González Rocha, Chirinos, and de los Heros Ugarte received, respectively, \$85,390, \$47,003, and \$30,245 as Peruvian Independence holidays and Christmas bonus. These amounts are reflected in the Summary Compensation Table under the All Other Compensation column.

(c) Termination of Employment Compensation or CTS:

Additionally, as compensation for years of service or CTS, Peruvian law requires a deposit of one twelfth of an employee's annual salary, vacation, travel, Independence holidays, Christmas, dependents and service award bonus, each year, for each employee (whether Peruvian or expatriate) working in Peru, as applicable. This amount is deposited in a local bank of the employee's choosing, in an individual account, which accrues interest paid by said bank. For all legal purposes, the chosen bank acts as trustee of the deposited amounts. The CTS funds can only be fully withdrawn when the employee terminates employment.

In 2008, we deposited for Messrs. González Rocha, Chirinos, and de los Heros Ugarte, respectively, \$54,698, \$26,833, and \$18,643 as CTS compensation. These amounts are reflected in the Summary Compensation Table under the All Other Compensation column.

(d) Peruvian Mandated Company Housing:

Peruvian mining law requires that we provide residences at our operations in Toquepala, Cuajone, and Ilo for all our salaried and non-salaried employees, including for Mr. Oscar González Rocha.

(e) Peruvian Mandated Family Assistance:

Peruvian law requires that we provide family assistance, which consists of 10% of the legal minimum salary, to all our salaried and non-salaried employees, including Messrs. González Rocha, Chirinos, and de los Heros Ugarte. Said compensation is reflected in the Summary Compensation Table under the All Other Compensation column.

Cash Compensation under Company Sponsored Programs:

(a) Vacation Compensation:

We provide vacation bonuses for all our salaried employees and payment for vacation travel to all our key salaried employees.

In 2008, Messrs. González Rocha, Chirinos, and de los Heros Ugarte received, respectively, \$44,839, \$18,534, and \$15,355 as vacation bonus and travel. These amounts are reflected in the Summary Compensation Table under the All Other Compensation column.

(b) Five Percent Benefit or “Quinquenio”:

We also provide voluntarily to all salaried employees and to non-salaried employees under agreement with our local labor unions, a benefit consisting of five percent of the monthly salary for each period of five years of service. We call this benefit, colloquially in Peru, the “quinquenio.”

In 2008, Messrs. González Rocha, Chirinos, and de los Heros Ugarte received, respectively, \$24,711, \$75,982, and \$31,435 as quinquenio. These amounts are reflected in the Summary Compensation Table under the All Other Compensation column.

(c) Other Company Sponsored Programs:

We provide subsidy to expatriate employees and certain executives to assist with the education of their children. Mr. José de los Heros Ugarte received \$10,410 under this program. Additionally, the All Other Compensation column in the Summary Compensation Table also reflects modest Christmas gifts given to all salaried and non-salaried employees, including Messrs. González Rocha, Chirinos, and de los Heros Ugarte.

Personal Benefits:

(a) Company Housing:

We provide a corporate residence in Lima, which Mr. Oscar González Rocha uses when he conducts business activities at our Lima headquarters. We reflect this benefit in the Summary Compensation Table under the All Other Compensation column.

(b) Travel Benefits:

In 2008, we provided travel benefits not directly related to the performance of Mr. Oscar González Rocha’s functions, which are reflected in the Summary Compensation Table under the All Other Compensation column.

(c) Company Provided Car and Driver:

Messrs. Oscar González Rocha, José N. Chirinos, José de los Heros Ugarte, and other key salaried employees are provided with a Company car and a driver. We consider that the use of Company cars by Messrs. González Rocha, Chirinos, de los Heros Ugarte, and other key salaried employees is not a personal benefit but is integrally

and directly related to the performance of their functions as key executives or salaried employees of one of the largest companies in Peru, is required for security reasons, and is consistent with local practice.

Mexican Compensation Practices:

Our Mexican compensation practices also take into account many factors, including individual performance and responsibilities, years of service, elements of compensation mandated by Mexican law, future challenges and objectives, contributions to the future success of our Company, the executive total compensation, and our financial performance. We may also look at the compensation levels of comparable companies.

Our executive officers receive cash-based compensation, which is currently paid. The cash-based compensation has two principal components: base salary and bonus, which are discretionary, and compensation mandated by Mexican law. We also sponsor programs to recruit and retain qualified employees working in Mexico.

The payment of bonuses is discretionary and we do not necessarily pay bonuses every year. The payment of bonuses and the amount of the same depend, among other things, on our financial performance, our intensive capital investment plan, our future cash flow generation from operations, and our liquidity in general.

We do not provide compensation tied to specific pre-determined individual or Company performance criteria or long-term incentive compensation.

The cash incentive payments granted to our executives are not based on pre-established performance targets or on targets that have been previously communicated to the executives. The granting of the award and the amount of each award are discretionary and substantially uncertain until we decide to award them, generally at the beginning of each year.

All our Mexican employee compensation is denominated in Mexican Pesos. We convert the Mexican Pesos into U.S. dollars using the average exchange rate for the applicable period.

Stock Options:

We have not granted stock options to any of our executive officers since 2000 in Mexico. The Stock Incentive Plan, under which options and stock awards could have been granted, expired by its terms on January 1, 2006.

Stock Purchase Plans of Grupo Mexico:

Under the Executive Stock Purchase Plan, participants receive incentive cash bonuses which are used to purchase up to 2,250,000 shares of Grupo Mexico over an eight year period. Mr. Xavier García de Quevedo Topete received incentive cash bonuses in 2008, 2007, and 2006 which were used to purchase shares under this plan. The amounts of said bonuses are reflected in the Summary Compensation Table under the Bonus column.

Pension Plan:

Retirement benefits of our employees in Mexico are covered by the Mexican social security system mandated by Mexican law. In addition, certain of our Mexican subsidiaries participate in a defined contribution pension plan, which complements the retirement benefits granted under the Mexican social security system.

Under the Mexican pension plan, non-union employees of Industrial Minera México, S.A. de C.V., and participating subsidiaries who have completed ten continuous years of employment with the participating subsidiary, including Messrs. Genaro Guerrero Diaz Mercado and Xavier García de Quevedo Topete earn the right to receive certain benefits upon retirement at the normal retirement age of 70 or upon early retirement on or after age 60. An employee may chose to retire at age 75 only upon receiving the proper consent of the participating company.

Employees contribute 3% of their monthly base salary to the plan and the employer matches the employees' contributions with an additional 3%. The funds are then invested in treasury or in marketable securities. The fiduciary of such investment funds is an institution authorized by the Mexican government. The plan is administered by a technical committee comprised of at least three unpaid individuals (who may be employees of the participating companies), which are appointed by the Company. The plan may be amended or terminated at any time at the Company's discretion, but such amendment or termination must preserve acquired rights of the employees.

Regardless of the manner in which an employee's employment is terminated, he/she is entitled to receive his/her employee contributions and any amounts earned during his/her term of employment. Any severance benefits received by the terminated employee will be deducted from any employer contribution to be received under the plan. In the event of the retirement of an employee, he/she is entitled to receive amounts accrued under the plan.

Severance Benefits:

We do not have corporate plans providing severance benefits to our executives in Mexico. Our executive officers only receive severance benefits provided by Mexican law or negotiated by us when we undertake workforce reductions at our operations. Our executive officers in Mexico do not have change of control or employment agreements.

Discretionary Cash Compensation:

Mr. Genaro Guerrero Diaz Mercado received \$222,874 in 2008 and Mr. Xavier García de Quevedo Topete received \$462,081 in 2008, \$410,231 in 2007 and \$411,062 in 2006 as annual salary.

The base salary of Xavier García de Quevedo Topete increased 13% in 2008 and decreased 0.20% in 2007. The base salaries of our executive officers follow the guidelines of salaries of other key employees of the Company.

(b) Bonus:

Mr. Xavier García de Quevedo Topete received cash incentive payments of \$60,841 in 2008, \$124,885 in 2007 and \$344,977 in 2006 in recognition of his performance. Mr. Xavier García de Quevedo Topete's bonus for 2008, 2007 and 2006 include amounts used to purchase Grupo Mexico shares. The amounts of said bonuses are reflected in the Summary Compensation Table under the Bonus column.

Mexican Mandated Cash Compensation:

(a) Profit Sharing in the Profits of Our Mexican Operations:

Mexican law requires that we, as well as all other mining companies in Mexico, share 10% of the annual pre-tax profits of our operations with all our workers (salaried and non-salaried). This benefit is payable in cash to each employee. Messrs. Genaro Guerrero Diaz Mercado and Xavier García de Quevedo Topete did not participate in the pre-income tax earnings of our Mexican operations in 2008.

(c) Vacation Compensation:

We provide vacation bonuses for all our salaried employees, with at least one completed year of service, including our executive officers in Mexico, as required by Mexican law. This vacation bonus consists of at least 25% of the salary earned during the vacation period. Mr. Genaro Guerrero Diaz Mercado received a vacation bonus for 2008, which is reflected in the Summary Compensation Table under the All Other Compensation column. Mr. Xavier García de Quevedo Topete also received a vacation bonus of \$19,141 for 2008.

A more detailed description of the principal features of the pension plan can be found under "Pension Plan," above.

(b) Savings Plan:

We offer our employees the possibility of saving up to 13% of their salaries and we match this amount with our own contributions (but never in excess of ten times the minimum monthly salary). These amounts are invested by us in marketable securities. Amounts can be withdrawn at any time with proper notice after ceasing participation in the plan. In 2008, Messrs. Genaro Guerrero Diaz Mercado and Xavier García de Quevedo Topete received contributions under our savings plan, which are reflected in the Summary Compensation Table under the All Other Compensation column.

(c) Relocation Assistance:

The Company provides reimbursement for certain relocation expenses to new executive officers and to any executive officer whose job function requires his or her relocation. The relocation expenses may include, but is not limited to, moving expenses, temporary housing expenses, and transportation expenses. Personal Benefits:

(b) Company Housing and Other Benefits:

Employees of certain of our Mexican units reside in townsites at La Caridad and Cananea mines, where we have built approximately 2,000 houses and apartments and 275 houses and apartments, respectively. Employees of other units principally reside on the grounds of the mining or processing complexes in which they work and we have built approximately 900 houses and apartments for such employees. Housing, together with maintenance and utility services, is provided at minimal cost to most of our employees. Our townsites and housing complexes include educational and, in some units, medical facilities, churches, social clubs, shopping centers, banking and other services. COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION IN COMPENSATION DECISIONS

Messrs. Germán Larrea Mota-Velasco, Alfredo Casar Pérez, Alberto de la Parra Zavala, Juan Rebolledo Gout, and Daniel Muñoz Quintanilla, our directors representing Grupo Mexico, are executive officers of Grupo Mexico or its affiliates. Messrs. Germán Larrea Mota-Velasco, Oscar González Rocha, Xavier García de Quevedo Topete, and Gilberto Perezalonso Cifuentes comprise the Compensation Committee of the Board. See also “Related Party Transactions.”

RELATED PARTY TRANSACTIONS

In 2008, we had entered into certain transactions in the ordinary course of business with parties that are controlling stockholders or their affiliates. These transactions include the lease of office space, air transportation and construction services and products and services relating to mining and refining. We lend and borrow funds among affiliates for acquisitions and other corporate purposes. These financial transactions bear interest and are subject to review and approval by senior management, as are all related party transactions.

Grupo México, our ultimate parent and our majority indirect stockholder, and our affiliates, provide various services to us. In 2008, these services were principally related to accounting, legal, tax, financial, treasury, human resources, price risk assessment and hedging, purchasing, procurement and logistics, sales and administrative and other support services. We pay Grupo México Servicios, S.A. de C.V., a subsidiary of Grupo Mexico, for these services. The total amount paid by us to Grupo México Servicios, S.A. de C.V. for such services in 2008 was \$13.8 million. We expect to continue to pay for these support services in the future.

Our Mexican operations paid fees of \$11.0 million in 2008, primarily for freight services provided by Ferrocarril Mexicano, S.A. de C.V., a subsidiary of Grupo Mexico.

In addition, our Mexican operations paid \$22.0 million in 2008 for construction services provided by México Constructora Industrial, S.A. de C.V., an indirect subsidiary of Grupo Mexico.

The Larrea family controls a majority of the capital stock of Grupo Mexico, and has extensive interests in other businesses, including oil drilling services, construction, aviation real estate and entertainment. We engage in certain transactions in the ordinary course of business with other entities controlled by the Larrea family relating to mining and refining services, the lease of office space, sale of vehicles, and air transportation and construction services. In connection with this, we paid fees of \$1.8 million in 2008 for maintenance services and sale of vehicles provided by México Compañía de Productos Automotrices, S.A. de C.V., a company controlled by the Larrea family. Additionally, our Mexican subsidiaries have provided a guaranty for a new \$10.8 million loan obtained by México Transportes Aéreos, S.A. de C.V. (“MexTransport”). MexTransport, a company controlled by the Larrea family, provides aviation services to our Mexican operations. The guaranty provided to MexTransport is backed up by the transport services provided by MexTransport to our Mexican subsidiaries. The Company paid fees of \$2.9 million in 2008 to MexTransport for aviation services.

Additionally, in 2008 we purchased \$4.0 million of industrial material from Higher Technology S. A. C., and paid \$0.8 million for maintenance services to Servicios y Fabricaciones Mecánicas S.A.C., companies in which Mr. Carlos González, a son of our President and Chief Executive Officer, has a proprietary interest. In addition, we purchased \$0.7 million in 2008 of industrial material from Sempertrans France Belting Technology and \$0.5 million from PIGOBA, S.A. de C.V. Mr. Alejandro González, a son of our President and Chief Executive Officer, is employed as a sales representative of Sempertrans and has a proprietary interest in PIGOBA. The Company purchased \$2.2 million in 2008 of industrial material and services from Breaker, S.A. de C.V., a company in which Mr. Jorge González has a proprietary interest. Mr. Jorge González is the son-in-law of our President and Chief Executive Officer.

It is anticipated that in the future we will enter into similar transactions with such parties.

During 2008, the Audit Committee reviewed and did not object to any of the related party transactions reported in this proxy statement. Our Audit Committee recognizes that related party transactions present a heightened risk of conflicts of interest and/or improper valuation (or the perception thereof) and therefore adopted a policy on January 24, 2007, and amended it on February 23, 2007, and on April 24, 2008. This policy is followed in connection with all of our related party transactions. This policy formalizes the procedures followed by the Audit Committee for previous years. Related parties are those defined as such by the SEC. Our policy requires us to report all related party transactions in our filings with the SEC and as required by accounting requirements.

It is our policy that the Audit Committee shall review all related party transactions. The Company is prohibited from entering or continuing a material related party transaction that has not been reviewed and approved or ratified by the Audit Committee. Our Certificate specifically provides that the Company is prohibited from engaging in any material affiliate transaction unless the transaction has been reviewed by a committee of at least three members of the Board of Directors, each of whom must satisfy the independence standards of the NYSE (or any other exchange or association on which the Common Stock is listed). A material affiliate transaction is defined as a transaction, business dealing or material financial interest in any transaction, or any series of transactions between Grupo México or one of its affiliates (other than us or any of our subsidiaries), on the one hand, and us or one of our subsidiaries, on the other hand, that involves an aggregate consideration of more than \$10,000,000. We believe that the Audit Committee is best suited to review any material affiliate transaction.

The Audit Committee may delegate authority to grant such approvals or ratifications to one or more members of the Audit Committee with the requirement that such member or members present any decisions made pursuant to such delegated authority to the full Audit Committee at its next scheduled meeting.

Additionally, in transactions where a senior officer is related to any of our goods or services provider, the Chairman of the Audit Committee is delegated the authority to approve the transaction, unless it exceeds an aggregate consideration of more than US\$500,000.00. In the latter case, prior approval of the Audit Committee members is required.

Management reports all related party transactions to the Audit Committee at each meeting. Material related party transactions are reported to the full Board of Directors. There is a presumption that the Audit Committee has approved or ratified the related party transaction if it has reviewed the transaction and made no observations or objections to same.

In reviewing a related party transaction the Audit Committee considers all of the relevant factors surrounding the transaction including:

- (1) whether there is a valid business reason for us to enter into the related party transaction consistent with the best interests of the Company and our stockholders;
- (2) whether the transaction is negotiated on an arm's length basis on terms comparable to those provided to unrelated third parties or on terms comparable to those provided to employees generally;
- (3) whether the Audit Committee determines that it has been duly apprised of all significant conflicts that may exist or may otherwise arise on account of the transaction, and it believes, nonetheless, that we are warranted in entering into the related party transaction and have developed an appropriate plan to manage the potential conflicts of interest;
- (4) whether the rates or charges involved in the transaction are determined by competitive bids, or the transaction involves the rendering of services as a common or contract carrier, or public utility, at rates or charges fixed in conformity with law or governmental authority;
- (5) whether the transaction involves services as a bank depository of funds, transfer agent, registrar, trustee under a trust indenture, or similar services; and/or
- (6) whether the interest of the related party or that of a member of the immediate family of the related party arises solely from the ownership of our class of equity securities and all holders of that class of our equity securities received the same benefit on a pro rata basis.

“CONTROLLED COMPANY” EXCEPTION TO NYSE RULES

A company of which more than 50% of the voting power is held by a single entity, a “controlled company,” need not comply with the requirements of the NYSE corporate governance rules requiring a majority of independent directors and independent compensation and nomination/corporate governance committees.

We are a controlled company as defined by the rules of the NYSE. Grupo Mexico currently owns indirectly approximately 79.76% of our stock. We have taken advantage of the exceptions to the corporate governance rules of the NYSE. We have three special independent directors nominated by the Special Nominating Committee, Messrs. Luis Miguel Palomino Bonilla, Gilberto Perezalonso Cifuentes, and Carlos Ruiz Sacristán. Mr. Emilio Carrillo Gamboa is our fourth independent director. At its meeting on January 29, 2009, the Board of Directors determined that Messrs. Luis Miguel Palomino Bonilla, Gilberto Perezalonso Cifuentes, Carlos Ruiz Sacristán and Emilio Carrillo Gamboa are independent of management in accordance with the requirements of the NYSE as such requirements are interpreted by our Board of Directors in its business judgment.

CORPORATE GOVERNANCE

Corporate Governance Guidelines, Committee Charters and Code of Ethics

We have adopted Corporate Governance Guidelines for the Board of Directors and charters for the Audit, Special Nominating, Corporate Governance and Disclosure, and Compensation Committees. We also have in place a Code of Business Conduct and Ethics that apply to our principal executive officer, principal financial officer, comptroller, all other officers, directors and our employees, including the persons performing accounting or financial functions. The Corporate Governance Guidelines, Code of Business Conduct and Ethics, and Committee charters, may be accessed free of charge by visiting our web site at www.southerncoppercorp.com. Copies of these documents are also available in print by written request directed to our Secretary, at Southern Copper Corporation, 11811 North Tatum Blvd., Suite 2500, Phoenix, AZ 85028, or at Southern Copper Corporation, Av. Caminos del Inca 171, Chacarilla del Estanque, Santiago de Surco, Lima-33, Peru or at Southern Copper Corporation at Edificio Parque Reforma, Campos Eliseos No. 400, 12th Floor, Col. Lomas de Chapultepec, Mexico City, Mexico. We intend to report any amendments to, or waiver from, a provision of the Code of Business Conduct and Ethics that applies to the principal executive officer, principal financial officer, principal accounting officer, comptroller and other persons performing similar functions.

Executive Session of Non-Management Directors

In accordance with Section 303A.03 of the corporate governance rules of the NYSE, an executive session of non-management directors is scheduled on the occasion of each of our regularly scheduled Board meetings. For such purpose, our Chairman invites the non-management directors to hold the executive session and all other members are asked to leave the boardroom. The non-management directors decide on each occasion if there are matters that warrant holding the executive session and the directors designate for each session, the director who will preside at each executive session. This policy is disclosed in Section 5.4 of our Corporate Governance Guidelines posted on the Company’s web site at www.southerncoppercorp.com.

Corporate Governance and Disclosure Committee

The primary functions of the Corporate Governance and Disclosure Committee are (a) to consider and make recommendations to the Company’s Board of Directors concerning the appropriate function and needs of the Board, (b) to develop and recommend to the Board corporate governance principles, (c) to oversee evaluation of the Board and management, and (d) to oversee and review compliance with the disclosure and reporting standards of the Company that require full, fair, accurate, timely, and understandable disclosure of material information regarding the Company in reports and documents that it files with the SEC, the NYSE and equivalent authorities in the countries in which the Company operates, as well as in other public communications that it regularly makes. The

Chief Executive Officer, the Chief Financial Officer, the Comptroller, the Treasurer, and the persons performing accounting or financial functions are responsible to ensure compliance with these standards. Additionally, the Chief Executive Officer and the Chief Financial Officer are responsible for establishing and maintaining disclosure controls and procedures and internal control over financial reporting. It is also the purpose of the Corporate Governance and Disclosure Committee to assist the Audit Committee in the performance of its responsibilities. The Corporate Governance and Disclosure Committee is comprised of Messrs. Germán Larrea-Mota Velasco, Oscar González Rocha, Xavier García de Quevedo Topete, and Emilio Carrillo Gamboa. The Corporate Governance and Disclosure Committee met two times in 2008 with 100% attendance by Messrs. Germán Larrea-Mota Velasco, Oscar González Rocha, Xavier García de Quevedo Topete, and Emilio Carrillo Gamboa.

The Corporate Governance and Disclosure Committee has the authority to delegate any of its authority to subcommittees designated by the Corporate Governance and Disclosure Committee, to the extent permitted by law. The Corporate Governance and Disclosure Committee has the authority to delegate its authority to one or more members of the Corporate Governance and Disclosure Committee with the requirement that such member or members present any decisions made pursuant to such delegated authority to the full Corporate Governance and Disclosure Committee at its next meeting. The Corporate Governance and Disclosure Committee has the sole authority to retain and terminate any counsel or other advisors, including sole authority to approve the fees and other retention terms.

Special Independent Directors/Special Nominating Committee

The Special Nominating Committee functions as a special committee to nominate special independent directors to the Board. Pursuant to our Certificate, a special independent director is any director who (i) satisfies the independence requirements of the NYSE Listed Company Manual (or any other exchange or association on which the Common Stock is listed) and (ii) is nominated by the Special Nominating Committee. The Special Nominating Committee has the right to nominate a number of special independent directors based on the percentage of our Common Stock owned by all holders of our Common Stock, other than Grupo Mexico and its affiliates.

The Special Nominating Committee consists of three directors, two (2) of whom are Luis Miguel Palomino and Carlos Ruiz Sacristán (each an “Initial Member” and, together with their successors, “Special Designees”) and such other director, currently Xavier García de Quevedo Topete, as may be appointed by the Board of Directors or the “Board Designee”. The Board Designee will be selected annually by the Board of Directors. The Special Designees will be selected annually by the members of the Board who are special independent directors or Initial Members. Only special independent directors can fill vacancies on the Special Nominating Committee. Any member of the Special Nominating Committee may be removed at any time by the Board of Directors for cause. The unanimous vote of all members of the nominating committee will be necessary for the adoption of any resolution or the taking of any action.

Our Certificate provides that the number of special independent directors on the Board of Directors at any given time shall be equal to (a) the total number of directors on the Board of Directors multiplied by (b) the percentage of Common Stock owned by all of the stockholders (other than Grupo Mexico and its affiliates), rounded up to the next whole number. Notwithstanding the foregoing, the total number of persons nominated as special independent directors cannot be less than two or greater than six.

The Special Nominating Committee has nominated Messrs. Luis Miguel Palomino Bonilla, Gilberto Perezalonso Cifuentes, and Carlos Ruiz Sacristán as special independent directors. Mr. Emilio Carrillo is our fourth independent director. At its meeting on January 29, 2009, the Board of Directors approved the nomination of special independent directors made by the Special Nominating Committee and endorsed the determination made by the Special Nominating Committee that Messrs. Luis Miguel Palomino Bonilla, Gilberto Perezalonso Cifuentes, and Carlos Ruiz Sacristán are independent of management in accordance with the requirements of the NYSE, as such requirements are interpreted by the Special Nominating Committee and our Board of Directors in their respective business judgments. The Board of Directors also determined that Mr. Emilio Carrillo is independent of management in accordance with the requirements of the NYSE as such requirements are interpreted by our Board of Directors in its business judgment. Notwithstanding the foregoing, the power of the Special Nominating Committee to nominate

special independent directors is subject to the rights of the stockholders to make nominations in accordance with our by-laws.

The Special Nominating Committee did not meet in 2008, except to make the nominations and determinations prior to the 2008 annual meeting of stockholders. The Special Nominating Committee considers and makes recommendations to the Board of Directors with respect to the nominations for special independent directors. The Committee considers recommendations for special independent director nominees to the Board of Directors from all sources. Recommendations for special independent director nominees should be sent in writing to our Secretary.

The Special Nominating Committee's Charter sets forth that it shall have the authority to:

- consider and recruit candidates to fill the positions on the Board allocated to special independent directors taking into account the Board's current composition and core competencies and the needs of the Board as a whole;
- apply criteria for Board membership that require special independent directors to satisfy the independence requirements, possess financial and business competency, high ethical standards and integrity, intelligence and judgment, sufficient time to devote to our matters, and a history of achievement;
- review and consider candidates from all sources;
- conduct appropriate and necessary inquiries into the backgrounds and qualifications of possible candidates;
- recommend the special independent director nominees for approval by the Board and you;
- fill any vacancy created by the removal, resignation or retirement from the Board of any special independent director; and
- evaluate annually the Committee's own performance and the adequacy of the charter, and report on the same to the Board.

The Committee has the authority to delegate any of its authority to subcommittees designated by the Committee, to the extent permitted by law. However, the Committee has the sole authority to retain and terminate any advisor, including counsel and any search firm used to identify special independent director candidates, and to approve the fees and other retention terms of said advisors.

The Committee shall consist of three or more non-employee directors of the Company who are independent of management, are free from any relationship that, in the opinion of the Board, would interfere with the exercise of independent judgment as a Committee member, and that otherwise satisfy the independence requirements of the New York Stock Exchange (“NYSE”) and other applicable requirements for audit committee service imposed by the Securities Exchange Act of 1934, as amended. Each member of the Committee must be financially literate or must become financially literate within a reasonable period of time after appointment to the Committee. The Independent Auditors shall report directly to the Committee. The Committee shall have the responsibility and authority to approve in advance all audit and non-audit services to be provided by the Independent Auditors and may delegate authority to grant such pre-approvals to one or more members of the Committee with the requirement that such member or members present any decisions made pursuant to such delegated authority to the full Audit Committee at its next scheduled meeting;

3. At least annually or as required, obtain and review a report by the Independent Auditors describing (i) all relationships between the Independent Auditors or its affiliates and the Company or persons in a financial reporting oversight role at the Company (to assess the Independent Auditors’ objectivity and independence, as required by applicable requirements of the Public Company Accounting Oversight Board regarding the Independent Auditors’ communications with the Committee concerning independence, as amended, substituted or supplemented from time to time, and to enable the Committee to take, or recommend that the Board take, appropriate action to assure the independence of the Independent Auditors); (ii) the Independent Auditors’ internal quality-control procedures; and (iii) any material issues raised by the most recent internal quality-control review, or peer review, of the Independent Auditors, or by any inquiry or investigation by governmental or professional authorities, within the preceding five years respecting one or more independent audits carried out by the Independent Auditors, and any steps taken to deal with any such issues ;
4. At least every six months, the Committee shall consider the qualifications of and service provided by the Independent Auditors’ team, results of peer reviews, as well as feedback from management and internal

audit, and its own observations in assessing whether to reappoint the external auditors (or to recommend their reappointment for shareholder ratification);

5. Review with management and the Independent Auditors the preparation of the financial statements and related disclosures contained in the Company's annual and quarterly reports prior to being filed with the SEC, including (i) the Company's disclosure under "Management's Discussion and Analysis of Financial Condition and Result of Operations" and the results of the Independent Auditors' timely analysis of significant financial reporting issues and practices, including changes in, or adoptions of, accounting principles and disclosure practices; (ii) their judgments about the quality, not just acceptability, of accounting principles and the clarity of the financial disclosure practices used or proposed to be used; (iii) the degree of aggressiveness or conservatism of the Company's accounting principles and underlying estimates and judgments; (iv) reports from the Independent Auditors with respect to the critical accounting policies and practices of the Company, all alternative treatments of financial information within generally accepted accounting principles that have been discussed with management, ratifications of the use of such alternative disclosures and treatments, and the treatment preferred by the Independent Auditors and other material written communications between the Independent Auditors and management, such as any management letter or schedule of unadjusted differences; (v) the effect of regulatory and accounting initiatives, as well as off-balance sheet structures, on the financial statements; (vi) disclosure relating to related party transactions; and (vii) any difficulties encountered by the Independent Auditors in the course of the audit or disagreements or other matters brought to the Committee's attention, including management's response. After review, recommend to the Board the acceptance and inclusion of the annual audited consolidated financial statements in the Company's Annual Report on Form 10-K;
6. The Chair of the Audit Committee, or another member designated by the Committee, shall review and discuss with management, before release, the unaudited operating results in the Company's quarterly earnings release;
7.
