PROXY STATEMENT

This proxy statement is furnished as part of the solicitation by the Board of Directors of Southern Copper Corporation (“SCC,” “us,” “our,” or the “Company”), 11811 North Tatum Blvd., Suite 2500, Phoenix, AZ 85028, USA; Avenida Caminos del Inca No. 171, Chacarilla del Estanque, Santiago de Surco, Lima 33, Peru; and Edificio Parque Reforma, Campos Eliseos No. 400, 12th Floor, Col. Lomas de Chapultepec, Mexico City, Mexico, of the proxies of all holders of common stock (the “Common Stockholders” or “you”) to vote at the annual meeting to be held on April 28, 2011, and at any adjournment thereof. This proxy statement and the enclosed form of proxy are being mailed and made available electronically commencing on or about April 4, 2011, to the Common Stockholders of record on March 4, 2011. Additional copies will be available at our offices in the United States, Lima and other locations in Peru and Mexico.

Any proxy in the enclosed form given pursuant to this solicitation and received in time for the annual meeting will be voted with respect to all shares represented by it and in accordance with the instructions, if any, given in such proxy. If we receive a signed proxy with no voting instructions given, such shares will be voted for the proposal to elect directors, for the proposal to ratify the selection by the Audit Committee of the Board of Directors of Galaz, Yamazaki, Ruiz Urquiza S.C., a member firm of Deloitte Touche Tohmatsu Limited, as our independent accountants for the calendar year 2011, for the approval of our executive compensation as described in this proxy statement, and for the proposal to have future advisory votes on executive compensation take place every year. Any proxy may be revoked at any time prior to the exercise thereof by notice from you, received in writing by our Secretary or Assistant Secretary, or by written ballot voted at the meeting or by delivery of a later dated proxy card. If your shares are held in street name, you must contact your broker to revoke your proxy.

Our outstanding shares consist of common stock, par value \$0.01 per share (the “Common Stock”). At the close of business on February 28, 2011 we had outstanding 850,000,000 shares of Common Stock. Each share of Common Stock outstanding on March 4, 2011, the record date for the annual meeting, is entitled to vote at the meeting. Each share of Common Stock is entitled to one vote.

Unless stated otherwise, references herein to “dollars” or “\$” are to U.S. dollars; references to “S/,” “nuevo sol” or “nuevos soles” are to Peruvian Nuevos Soles; and references to “peso,” “pesos,” or “Ps.” are to Mexican pesos.

VOTING SECURITIES

Our Amended and Restated Certificate of Incorporation, as amended (the “Certificate”), provides that the number of directors shall be fixed from time to time by resolution of a majority of the Board of Directors, provided that the number of directors shall not be less than six or more than fifteen. The Board of Directors at its meeting held on January 27, 2011 fixed the number of directors at fourteen. The directors are elected by the Common Stockholders, with each share of Common Stock outstanding at the March 4, 2011 record date entitled to one vote at the annual meeting.

A plurality of the votes cast by you is required for the election of the fourteen directors. Abstentions and broker non-votes are counted for quorum purposes but are not counted either as votes cast “For” or “Against” any nominee. A broker “non-vote” occurs when a broker submits a proxy card with respect to shares of Common Stock held in a fiduciary capacity (typically referred to as being held in “street name”) but declines to vote on a particular matter because the broker has not received voting instructions from the beneficial owner. Pursuant to 2010 amendments to the rules of the New York Stock Exchange (“NYSE”), brokers will be prohibited from exercising discretionary voting on your shares held in “street name” for the election of directors. Accordingly, if your shares are held in street name and you do not submit voting instructions to your broker, your shares will not be counted in determining the outcome of the election of the fourteen director nominees at the annual meeting on April 28, 2011. We encourage you to provide voting instructions to your brokers if you hold your shares in street name so that your voice is heard in the election of directors.

The affirmative vote of a majority of the votes cast in person or by proxy at the meeting by the holders of shares of Common Stock entitled to vote thereon is required to ratify the selection of the independent accountants

described in this proxy statement. Abstentions and broker non-votes are counted for quorum purposes. Abstentions are counted as a vote “Against” this proposal. Broker non-votes are not counted either as votes cast “For” or “Against” the proposal to ratify the selection of the independent accountants described in this proxy statement.

Pursuant to provisions of the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the “Dodd-Frank Act”), brokers will be prohibited from voting uninstructed shares on executive compensation matters, including on the two non-binding advisory votes on executive compensation discussed in this proxy statement. The affirmative vote of a majority of the votes cast in person or by proxy at the meeting by the holders of shares of Common Stock entitled to vote thereon is required for the non-binding advisory vote on executive compensation described in this proxy statement. Abstentions and broker non-votes are counted for quorum purposes. Abstentions are counted as a vote “Against” this proposal. Broker non-votes are not counted either as votes cast “For” or “Against” this proposal. If we receive a signed proxy with no voting instructions, such shares will be voted “For” the approval of our executive compensation as described in this proxy statement.

The option of every year, every two years or every three years that receives a plurality of the votes cast in person or by proxy at the meeting by the holders of shares of Common Stock entitled to vote thereon will be the option selected by the stockholders for the frequency of future non-binding advisory votes on executive compensation described in this proxy statement. Generally, approval of any matters presented to the stockholders requires a majority of the votes cast. However, because this vote is advisory and non-binding, if none of the frequency options receives a majority of the votes cast, the option receiving the greatest number of votes will be considered the frequency recommended by the stockholders. Abstentions and broker non-votes are counted for quorum purposes. Abstentions are counted as a vote “Against” this proposal. Broker non-votes are not counted either as votes cast “For” or “Against” this proposal. If we receive a signed proxy without voting instructions, such shares will be voted for the option of “one year.”

When a Common Stockholder participates in the Dividend Reinvestment Plan applicable to our Common Stock, the Common Stockholder’s proxy to vote shares of Common Stock will include the number of shares held for him by The Bank of New York Mellon, the agent under the plan. If you do not send any proxy, the shares held for your account in the Dividend Reinvestment Plan will not be voted.

The rules of the Securities and Exchange Commission (“SEC”) permit us to deliver a single notice or set of annual meeting materials to one address shared by two or more of our stockholders. This delivery method is referred to as “householding” and can result in significant cost savings. To take advantage of this opportunity, we have delivered only one notice or set of annual meeting materials to multiple stockholders who share an address, unless we received contrary instructions from the impacted stockholders prior to the mailing date. We agree to deliver promptly, upon written or oral request, a separate copy of the notice or annual meeting materials, as requested, to any stockholders at the shared address to which a single copy of those documents was delivered. If you prefer to receive separate copies of the notice or annual meeting materials, contact Broadridge Financial Solutions, Inc. at 800-542-1061 or in writing at Broadridge, Householding Department, 51 Mercedes Way, Edgewood, New York 11717. If you are currently a stockholder sharing an address with another stockholder and wish to receive only one copy of future notices or annual meeting materials for your household, please contact Broadridge at the above phone number or address.

Quorum

Our by-laws provide that the presence in person or by proxy of the Common Stockholders of record holding a majority of the outstanding shares of Common Stock entitled to vote at the meeting shall constitute a quorum for purposes of electing directors and voting on proposals other than the election of directors.

No Dissenters’ or Appraisal Rights

Stockholders who do not consent to the ratification of the selection of independent accountants or the non-binding advisory vote on executive compensation as described in this proxy statement, are not entitled to assert dissenters’ or appraisal rights under Section 262 of the General Corporation Law of the State of Delaware.

ELECTION OF DIRECTORS

Fourteen nominees are proposed for election by you at the annual meeting. The nominees to be voted on by you are Emilio Carrillo Gamboa, Alfredo Casar Pérez, Luis Castelazo Morales, Enrique Castillo Sánchez Mejorada, Alberto de la Parra Zavala, Xavier García de Quevedo Topete, Oscar González Rocha, Germán Larrea Mota-Velasco, Genaro Larrea Mota-Velasco, Daniel Muñiz Quintanilla, Luis Miguel Palomino Bonilla, Gilberto Perezalonso Cifuentes, Juan Rebolledo Gout, and Carlos Ruiz Sacristán. All of the nominees are currently serving as directors.

Our Certificate requires the Board of Directors to include a certain number of special independent directors. A special independent director is a person who (i) satisfies the independence standards of the NYSE (or any other exchange or association on which the Common Stock is listed) and (ii) is nominated by a Special Nominating Committee of the Board of Directors.

The Special Nominating Committee, composed of Messrs. Luis Miguel Palomino Bonilla, Carlos Ruiz Sacristán (each a Special Designee), and Xavier García de Quevedo Topete (the Board Designee), has nominated Messrs. Luis Miguel Palomino Bonilla, Gilberto Perezalonso Cifuentes, and Carlos Ruiz Sacristán as special independent directors. Additionally, the Board of Directors at its meeting held on January 27, 2011 endorsed the selection of special independent directors made by the Special Nominating Committee and also selected Messrs. Emilio Carrillo Gamboa and Enrique Castillo Sánchez Mejorada as our fourth and fifth independent directors. For further information please see the section on “Special Independent Directors/Special Nominating Committee.”

The Board considers and recruits candidates from all sources, including nominations recommended by stockholders, to fill the positions on the Board taking into account the Board’s current composition and core competencies and the needs of the Board as a whole. The composition, skills and needs of the Board change over time and will be considered in establishing the profile of desirable candidates for any specific opening on the Board. Recommendations for director nominees should be sent in writing to our Secretary or Assistant Secretary (see “Proposals and Nominations of Stockholders” below). The Board applies selection criteria for Board membership that, among other personal characteristics, require that Board members possess integrity and accountability, high ethical standards, financial literacy for the members serving on the Audit Committee, high performance standards and business competency, informed judgment, mature confidence, open mind, intelligence and judgment, sufficient time to devote to Company matters, and a history of achievement. Additionally, special independent directors must satisfy the independence requirements of the NYSE Listed Company Manual (or any other exchange or association on which the Common Stock is listed). The Board applies the same selection criteria for the evaluation of candidates from all sources.

To adequately fulfill the Board’s complex roles, from overseeing the audit and monitoring managerial performance to responding to rapidly changing market conditions, a host of core competencies need to be represented on the Board. The Board as a whole possesses the required Board core competencies, with each member contributing knowledge, experience and skills in one or more areas, including accounting and finance, management, business judgment, industry knowledge, international markets, leadership, strategy and vision, and crisis response.

The Board also considers diversity in identifying candidates to fill positions on the Board. We believe that our current Board includes differences of viewpoint, professional experience, education, skill, and other individual qualities and attributes to augment the talents of management to operate the business of the Company and accomplish the primary goal of maximizing stockholder value while adhering to the laws of the jurisdictions wherein it operates and observing ethical standards.

Our Board conducts an annual evaluation in order to determine whether it and its committees are functioning effectively. As part of this annual self-evaluation, the Board evaluates whether the Board’s current policy on diversity continues to be optimal for SCC and its stockholders.

Proxies in the enclosed form will be voted, unless authority is withheld, for the election of the nominees named below. If any person should be unavailable for election, proxies will be voted for another individual chosen by the Board of Directors as a substitute for the unavailable nominee. If, however, any other matter properly comes before

the annual meeting, we intend that the accompanying proxy will be voted thereon in accordance with the judgment of the persons voting such proxy.

In addition, the Board of Directors determined that Mr. Luis Miguel Palomino Bonilla is the Audit Committee financial expert, as the Board of Directors interprets this requirement in its business judgment. Audit Committee Pre-Approval Policies and Procedures

Our management defines and communicates specific projects and categories of service for which the advance approval of the Audit Committee is requested. The Audit Committee reviews these requests and advises management if it approves the engagement of the independent accountants. On July 19, 2010, the Audit Committee decided that management could engage the services of the independent accountants for special projects in amounts up to \$30,000, provided they would be approved at the next scheduled Audit Committee meeting. Management could only engage the services of the independent accountants for up to two special projects each calendar year, not exceeding \$60,000. For services between \$30,000 and \$60,000, the services would have to be approved by the Chairman of the Audit Committee and would have to be reported to the full Audit Committee at the next scheduled Audit Committee meeting. For services in excess of \$60,000 the full approval of the entire Audit Committee would be required previous to the engagement. In 2010, all services provided by DTT were approved in advance by the Audit Committee.

Changes in and Disagreements with Accountants on Accounting and Financial Disclosure

On March 20, 2009, the Audit Committee dismissed PricewaterhouseCoopers S.C. ("PwC") as our independent accountants and approved the selection of DTT as our independent accountants for 2009. The dismissal of PwC followed the decision of the Company to seek proposals from independent accounting firms to audit the financial statements of the Company. Both firms have provided excellent services to the Company.

During the two year period ending on December 31, 2008 and through March 20, 2009 there have been no disagreements with PwC on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of PwC, would have caused PwC to make reference thereto in its report on the financial statements of the Company for such years. Also, during those time periods, there have been no "reportable events," as such term is used in Item 304(a)(1)(v) of Regulation S-K of the SEC.

PwC's report on the financial statements of the Company for the two year period ending on December 31, 2008 contained no adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles.

During the Company's two year period ending December 31, 2008, and the subsequent interim period through March 20, 2009, the Company did not consult with DTT regarding any of the matters or events set forth in Item 304(a)(2)(i) and (ii) of Regulation S-K of the SEC.

COMPENSATION DISCUSSION AND ANALYSIS

This Compensation Discussion and Analysis relates to and should be read together with our Summary Compensation Table and the information on related party transactions in this proxy statement.

Background and Role of Executive Officers in Determining Compensation:

The compensation of our executive officers is determined by our Chairman and other key executive officers, including Mr. Oscar González Rocha. Mr. Oscar González Rocha does not participate in any decision relating to his own compensation. Similarly, Messrs. Genaro Guerrero Diaz Mercado, our Vice President, Finance and Chief Financial Officer, Xavier García de Quevedo Topete, our Chief Operating Officer, José de los Heros Ugarte, our Vice President, Commercial, and José N. Chirinos, our Comptroller, do not participate in any discussion relating to their respective compensations.

We are providing, in satisfaction of applicable rules of the SEC, information regarding compensation paid by us, or by one or more of our subsidiaries, to Messrs. Oscar González Rocha, Genaro Guerrero Diaz Mercado, Xavier García de Quevedo Topete, José N. Chirinos, and José de los Heros Ugarte. Mr. Oscar González Rocha joined us in late 1999 after having an outstanding career at Grupo Mexico and has been receiving compensation from us since March 2000. Mr. Genaro Guerrero Díaz Mercado was appointed Vice President, Finance and Chief Financial Officer on January 2, 2008. Mr. Xavier García de Quevedo Topete joined us in September 2001 after serving as President of Grupo Ferroviario Mexicano, S.A. de C.V. and of Ferrocarril Mexicano, S.A. de C.V. Mr. José N. Chirinos has held various positions in accounting, administration and finance during his 44 years at our Company. Mr. José de los Heros Ugarte was appointed our Vice President, Commercial in November 2008 after having held various commercial positions within the Company since 1983.

Mr. Germán Larrea Mota-Velasco, our Chairman, is an executive officer of Grupo Mexico and is compensated by Grupo Mexico. Mr. Larrea has only received fees and stock awards for his services as member of our Board of Directors.

Compensation Objectives:

Our objectives in compensating our executive officers are to encourage the achievement of our business objectives and superior corporate performance by our executive officers. Our business objectives include increasing production and lowering costs in a safe environment, maintaining customer satisfaction, market leadership, and enhancing stockholder value. The principal objective of our compensation practices is to reward and retain executives with key core competency critical to our long-term management strategy. We reward for results rather than on the basis of seniority, tenure or other entitlement. We believe that our executive compensation practices align compensation with our business values and strategy.

What Is Our Compensation Designed to Reward?

Our compensation is designed to reward our executive officers for their efforts and dedication to us and for their ability to attract, motivate, and energize a high-performance leadership team, encouraging innovation in our employees, conceptualizing key trends, evaluating strategic decisions, and continuously challenging our employees to sharpen their vision and excel in performing their duties. We also reward our executive officers for achieving the business plans that the Board has approved, for unique accomplishments and achievements, and for their leadership in managing our affairs in the locations in which we operate, mainly Peru and Mexico.

Why We Choose to Compensate Our Executives:

We choose to compensate our employees, including our executive officers, to grant them basic economic security at levels consistent with competitive local practices. We believe that the compensation we provide to our employees, including our executive officers, permits us to retain our highly skilled and qualified workforce.

We are required to grant our employees certain elements of compensation mandated by Peruvian and Mexican law, as applicable. Peruvian and Mexican law requires us to pay salaries to our employees commensurate with each employee's job requirements and the experience and skills of every employee. The level of each salary is determined by us. We pay salaries and bonuses to reward and retain our excellent employees, including our executive officers. We also provide other Company sponsored benefits to remain competitive in the Peruvian and Mexican labor markets and to reward our employees, including our executive officers. The Peruvian five percent increase in monthly salary for each five years of service evolved as a benefit bargained by our labor unions and was later on extended to all salaried employees. The Peruvian vacation bonus and vacation travel benefits evolved from our practice of compensating expatriate employees who worked in Peru and was later extended to certain key salaried employees, including executive officers working in Peru.

How Do We Determine Each Element of Compensation?

The Company's management team and Compensation Committee make the decisions to grant salary increases and bonuses for the executive officers of the Company after a thorough analysis of numerous factors, including among others, the responsibilities and performance of each executive officer measured in the areas of production, safety and environmental responsiveness (both individually and as compared to other officers of the Company). In addition, management and the Compensation Committee consider years of service, future challenges and objectives, the potential contributions of each officer to the future success of our Company, total executive compensation, and the Company's overall financial performance. Peruvian and Mexican law requires us to pay salaries to our employees commensurate with each employee's job requirements, experience and skills, and to share 8% of the annual pre-income tax profits of our Peruvian Branch with our Peruvian employees and 10% of the annual pre-income tax profits of our Mexican operation with our Mexican employees.

When we increase base salaries for our executive officers, we use a tabulation which is revised every year to adjust for inflation in Mexico and Peru. The base salary increases take into account the individual's position, as well as his or her results and job performance in the relevant year. Base salary increases are not granted indiscriminately

to employees. Instead, they are granted to reward individuals who facilitate the achievement of the Company's corporate goals. Our corporate goals include increasing production and lowering costs in a safe environment, maintaining customer satisfaction and market leadership, and enhancing stockholder value.

We promote our named executive officers from within our organization and we hire new executives through recruiters. We also use Hay Group and Intergama, Human Resource consulting firms, which provide us with comparative salary data for the sought position extracted from their database relating to comparable companies in Mexico and Peru.

The salaries provided by the Human Resources consultants from their database are used by us as an indication of the market salaries prevailing in Peru and Mexico. In Peru, the consultants provide us with salaries, which they report were paid or offered to potential candidates by mining companies operating in Peru. The reports of the Human Resources consultants have included in the past salary information from Peruvian companies or Peruvian subsidiaries, such as the following: Xstrata Peru, Minera Yanacocha Peru, Compañía de Minas Buenaventura S.A.A., Compañía Minera Atacocha S.A.A., Minera Andina de Exploraciones S.A.A., Minsur S.A., Perubar S.A., Shougang Hierro Peru, S.A.A., and Sociedad Minera Cerro Verde S.A.A. In Mexico, the consultants have provided us with salaries, which they reported were paid or offered to potential candidates by mining companies operating in Mexico. The reports of the Human Resources consultants have included in the past salary information from Mexican companies or Mexican subsidiaries, such as the following: Newmont Mining Corporation, Pan American Silver Corporation, Industrias Peñoles, S.A.B. de C.V., Grupo Bacis S.A. de C.V., Mexicoro S.A. de C.V., Minera BHP Billiton, S.A. de C.V., and Minera Phelps Dodge de Mexico S. de R.L. de C.V. The above listing is for illustration purposes only, as the list of companies used by Human Resources consultants may vary from year to year. Additionally, we have not made an independent verification of the salary information reported by the Human Resources consultants.

We factor this comparative salary information into our decision making process by targeting our personnel compensation policies, including the compensation of the named executive officers, generally toward the median and third quartile of market compensation.

In 2008 and 2009, the reported median base salaries for S&P 500 chief executives were \$1,057,118 and \$1,041,012, respectively. Although the 2010 report was not available at the time of print, we predict that the median base salary for 2010 would continue the same trend as last year. Even though we are not one of the constituent companies of the S&P 500 index, we have a market capitalization that would permit us to compare ourselves with the companies that comprise the index. We have compared the 2008 and 2009 salaries of Mr. Oscar González Rocha with the reported median base salaries of S&P 500 chief executives and determined that the salaries paid are below the reported median. Similarly, we believe that the salary of Mr. Oscar González Rocha in 2010 will be below the reported median for 2010.

The amount and formula applicable to the other benefits are mandated by Peruvian and Mexican law for all salaried employees. We also sponsor programs to recruit and retain qualified employees working in Peru and Mexico.

Under Section 162(m) of the Internal Revenue Code of 1986, as amended, we may not deduct, with certain exceptions, compensation in excess of \$1 million to the Chief Executive Officer and our four other highest paid executive officers as required to be reported in our proxy statement. We do not believe that Section 162(m) will have any immediate material impact on us because, among other things, our officers' salaries do not enter into the calculation of US source taxable income. We will, however, continue to monitor our executive compensation programs to ensure their effectiveness and efficiency in light of our needs, including Section 162 (m).

How Does Each Element and Our Decisions Regarding That Element Fit Into Our Overall Compensation Objectives and Affect Decisions Regarding Other Elements?

We take into account each element of compensation to determine the overall compensation of our executives. It is our practice to grant relatively small salary increases commensurate with the cost of living increases in Peru and Mexico and tailor the amount of the incentive cash payments to balance the amounts of compensation mandated by Peruvian and Mexican law, principally the amounts received as profit participations. In years in which

the profit participation is high, the bonus or incentive cash payment will be reduced. In years in which the profit participation is relatively modest, if our financial conditions permit, we tend to increase the amount paid in cash incentives.

Summary:

Our compensation practices are designed to comply with the requirements of Peruvian and Mexican law and with our goals and objectives to retain our key executives and reward them appropriately for their positive results. We continue to monitor our compensation practices to remain competitive in the marketplace and to reward our executives for results that are consistent with the long-term interest of our Company and our stockholders.

Peruvian Compensation Practices:

Our Peruvian compensation practices take into account many factors, including individual performance and responsibilities, years of service, elements of compensation mandated by Peruvian law, future challenges and objectives, contributions to the future success of our Company, the executive's total compensation, and our financial performance. We may also look at the compensation levels of comparable companies.

Our executive officers receive cash-based compensation, which is currently paid. The cash-based compensation has two principal components: base salary and bonus, which are discretionary, and compensation mandated by Peruvian law. We also sponsor programs to recruit and retain qualified employees working in Peru. Additionally, Grupo Mexico offers certain key employees, including our executive officers, a stock purchase plan (the "Employee Stock Purchase Plan") under which Grupo Mexico grants the participants a bonus of one share for every ten shares purchased at the end of eight years. See the description of the Employee Stock Purchase Plan under "Stock Purchase Plans of Grupo Mexico" below.

The payment of bonuses is discretionary and we do not necessarily pay bonuses every year. The payment of bonuses and the amount of same depend, among other things, on our financial performance, our intensive capital investment plan, our future cash flow generation from operations, and our liquidity in general.

We do not provide compensation tied to specific pre-determined individual or Company performance criteria or long-term incentive compensation. Since 2000 we have not used the Southern Copper Corporation Incentive Compensation Plan to grant incentive cash payments to our executive officers or to our other key employees.

The cash incentive payments granted to our executives are not based on pre-established performance targets or on targets that have been previously communicated to the executives. The granting of the award and the amount of each award are discretionary and substantially uncertain until we decide to award them, generally at the beginning of each year.

All our Peruvian employee compensation is denominated in Peruvian Nuevos Soles. We convert the Peruvian Nuevos Soles into U.S. dollars using the average exchange rate for the applicable period.

Stock Options:

We have not granted stock options to any of our executive officers since 2000 in Peru. The Stock Incentive Plan, under which options and stock awards could have been granted, expired by its terms on January 1, 2006.

Stock Purchase Plans of Grupo Mexico:

Grupo Mexico offers eligible employees the Employee Stock Purchase Plan through a trust that acquires shares of Grupo Mexico for future sales to our employees, and employees of our subsidiaries and certain affiliated companies. Sales are at the approximate fair market value. Every two years employees will be able to purchase shares subscribed for purchase in the previous two years. The employees will pay for shares purchased through monthly payroll deductions over the eight year period of the plan. At the end of the eight year period, Grupo Mexico will grant the participant a bonus of one share for every ten shares purchased by the employee. If Grupo Mexico

pays dividends on shares during the eight year period, the participant will be entitled to receive the dividend in cash for all shares that have been fully purchased and paid as of the date that the dividend is paid. If the participant has only partially paid for shares, the entitled dividends will be used to reduce the remaining liability owed for purchased shares. Certain key employees, including Messrs. Oscar González Rocha, José N. Chirinos, and José de los Heros Ugarte have purchased shares through this plan. In 2010, Mr. Oscar González Rocha received \$604,000 as a bonus under this plan, and in 2009 Messrs. Oscar González Rocha, José N. Chirinos, and José de los Heros Ugarte received \$193,207, \$22,984, and \$38,307, respectively, as bonuses under this plan. These amounts are reflected in the Summary Compensation Table under the Stock Bonus column.

Grupo Mexico also offers a stock purchase plan for certain members of executive management (“Executive Stock Purchase Plan”). Under this plan, participants receive incentive cash bonuses which are used to purchase shares of Grupo Mexico and which are deposited in a trust.

Pension Plans:

The Company has two non-contributory defined benefit pension plans covering former salaried employees in the United States and certain former employees in Peru. Messrs. Oscar González Rocha, José N. Chirinos and José de los Heros Ugarte are not covered by our non-contributory retirement plans. They are covered by the Peruvian private pension system (“AFP”), a mandatory pension system. As required by Peruvian law, we retain every month a percentage of their salary and deposit the amount into their individual AFP accounts. The percentage of the monthly salary retained and deposited varies each year and has ranged from 8% to 10% over the years. Employees, including Mr. Chirinos, hired prior to 1995, received in 1995 a 13.53% salary increase to compensate them for the new deduction established by Peruvian law to participate in the mandatory pension system. Mr. Chirinos received payments of \$20,303 in 2010, \$19,143 in 2009, and \$19,661 in 2008 pursuant to the requirements of the AFP law. Mr. José de los Heros Ugarte also received payments of \$9,068 in 2010, \$8,550 in 2009 and \$8,781 in 2008. These payments are included in the gross salary reported for Messrs. Chirinos and de los Heros Ugarte.

Severance Benefits:

We do not have corporate plans providing severance benefits to our executives in Peru. Our executive officers only receive severance benefits provided by Peruvian law. If the employee is terminated by us and he or she has a fixed-term employment agreement, Peruvian law requires that we pay the employee’s salary for the remaining of the term of his or her employment agreement. Peruvian law also provides that if the employee has been dismissed without cause, he or she is entitled to one and one-half monthly salary for each year of service up to a maximum of eight years or twelve monthly salaries. Peruvian law also provides that at the termination of employment an employee will be able to withdraw the full amount of the compensation for the years of service, known as CTS (“Compensación por Tiempo de Servicios”) in Peru, described below. Our executive officers do not have change of control employment agreements. Our Peruvian employees, including Mr. José N. Chirinos and Mr. José de los Heros Ugarte, do not have employment agreements.

Expatriate Employees:

Pursuant to Peruvian laws concerning expatriate employees, Mr. Oscar González Rocha entered into an employment agreement. The employment agreement is in effect for a term of one year and may be extended for additional periods. In accordance with the terms of the employment agreement, the Company has agreed to provide Mr. Oscar González Rocha (and any other expatriate employees) with benefits as required by Peruvian law. Under the employment agreement, Mr. Oscar González Rocha may resign at any time by providing us with 30 days’ notice. The employment agreement also provides that we may dismiss Mr. Oscar González Rocha for serious offenses as established by Peruvian law. Terminated employees are also entitled to receive severance benefits as required by Peruvian law. Our non-Peruvian contract employees and their dependents receive travel benefits to return to their home country at the end of each year and return to Peru at the commencement of each year of the contract. Additionally, this benefit includes travel to their home country at the termination of the contract.

Peruvian Mandated Cash Compensation:

(a) Profit Sharing in the Profits of Our Peruvian Branch:

Peruvian law requires that we, as well as all other mining companies in Peru, share 8% of the annual pre-income tax profits of our Branch with all our workers (salaried and non-salaried). This benefit is payable in cash to each employee in an amount not to exceed 18 times his or her monthly salary. The excess is paid to a Peruvian pro-employment fund and to the regional governments where we operate, that is to say, the regional governments of Lima, Arequipa, Moquegua, and Tacna in Peru.

Messrs. González Rocha, Chirinos, and de los Heros Ugarte received, respectively, \$421,416, \$220,270, and \$179,736 in 2010 as a participation in the pre-tax earnings of our Peruvian Branch. These amounts are reflected in the Summary Compensation Table under the All Other Compensation column.

(b) Peruvian Legal Holiday Bonuses:

Peruvian law also requires payment each year of one month's salary to each employee as a bonus for Peruvian Independence holidays and Christmas.

In 2010, Messrs. González Rocha, Chirinos, and de los Heros Ugarte received, respectively, \$105,044, \$52,578, and \$43,912 as Peruvian Independence holidays and Christmas bonus. These amounts are reflected in the Summary Compensation Table under the All Other Compensation column.

(c) Termination of Employment Compensation or CTS:

Additionally, as compensation for years of service or CTS, Peruvian law requires a deposit of one twelfth of an employee's annual salary, vacation, travel, Independence holidays, Christmas, dependents and service award bonus, each year, for each employee (whether Peruvian or expatriate) working in Peru, as applicable. This amount is deposited in a local bank of the employee's choosing, in an individual account, which accrues interest paid by said bank. For all legal purposes, the chosen bank acts as trustee of the deposited amounts. The CTS funds can only be fully withdrawn when the employee terminates employment.

In 2010, we deposited for Messrs. González Rocha, Chirinos, and de los Heros Ugarte, respectively, \$61,035, \$29,196, and \$23,610 as CTS compensation. These amounts are reflected in the Summary Compensation Table under the All Other Compensation column.

Peruvian mining law requires that we provide residences at our operations in Toquepala, Cujajone, and Ilo for all our salaried and non-salaried employees, including for Mr. Oscar González Rocha.

(e) Peruvian Mandated Family Assistance:

Peruvian law requires that we provide family assistance, which consists of 10% of the legal minimum salary, to all our salaried and non-salaried employees, including Messrs. Pension Plan:

Retirement benefits of our employees in Mexico are covered by the Mexican social security system mandated by Mexican law. In addition, certain of our Mexican subsidiaries participate in a defined contribution pension plan, which complements the retirement benefits granted under the Mexican social security system.

Under the Mexican pension plan, non-union employees of Minera México, S.A. de C.V., and participating subsidiaries who have completed ten continuous years of employment with the participating subsidiary, including Messrs. Genaro Guerrero Diaz Mercado and Xavier García de Quevedo Topete earn the right to receive certain benefits upon retirement at the normal retirement age of 70 or upon early retirement on or after age 60. An employee may chose to retire at age 75 only upon receiving the proper consent of the participating company. Mr. Genaro Guerrero did not participate in the Mexican pension plan in 2010.

Employees contribute 3% of their monthly base salary to the plan and the employer matches the employees' contributions with an additional 3%. The funds are then invested in treasury or in marketable securities. The fiduciary of such investment funds is an institution authorized by the Mexican government. The plan is administered by a technical committee comprised of at least three unpaid individuals (who may be employees of the participating companies), which are appointed by the Company. The plan may be amended or terminated at any time at the Company's discretion, but such amendment or termination must preserve acquired rights of the employees.

Regardless of the manner in which an employee's employment is terminated, he/she is entitled to receive his/her employee contributions and any amounts earned during his/her term of employment. Any severance benefits received by the terminated employee will be deducted from any employer contribution to be received under the plan. In the event of the retirement of an employee, he/she is entitled to receive amounts accrued under the plan.

Severance Benefits:

We do not have corporate plans providing severance benefits to our executives in Mexico. COMPENSATION POLICIES AND PRACTICES AND RISK

Our Peruvian and Mexican executive officers and non-executive employees receive cash-based compensation, which is currently paid. The cash-based compensation has two principal components: base salary and bonus, which are discretionary, and compensation mandated by Peruvian and Mexican law. We also sponsor programs to recruit and retain qualified employees working in Peru and Mexico.

The payment of bonuses is discretionary and we do not necessarily pay bonuses every year. The payment of bonuses and the amount of the same depend, among other things, on our financial performance, our intensive capital investment plan, our future cash flow generation from operations, and our liquidity in general. We do not provide compensation tied to specific pre-determined individual or Company performance criteria or long-term incentive compensation. The cash incentive payments granted to our executives and non-executive employees are not based on pre-established performance targets or on targets that have been previously communicated to the executives or the employees. The granting of the award and the amount of each award are discretionary and substantially uncertain until we decide to award them, generally at the beginning of each year.

The decisions to grant salary increases and bonuses for the executive officers of the Company and for non-executive employees are made after a thorough analysis of numerous factors, including among others, the responsibilities and performance of each executive officer or employee measured in the areas of production, safety and environmental responsiveness (both individually and as compared to other officers or employees of the Company). The Company's compensation policies or practices do not vary significantly from the Company's overall risk and reward structure, inasmuch as we do not offer performance-based bonuses or incentive awards which occur significantly before receipt of anticipated income or expiration of associated risk to the Company. We do not have business units that account for a significant portion of the Company's risk profile or compensation policies and practices that vary for a particular business unit. We continuously monitor our compensation policies and practices to avoid risk-taking by executive and non-executive employees to increase their compensation.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION IN COMPENSATION DECISIONS

Messrs. Germán Larrea Mota-Velasco, Alfredo Casar Pérez, Luis Castelazo Morales, Alberto de la Parra Zavala, Juan Rebolledo Gout, and Daniel Muñoz Quintanilla, our directors representing Grupo Mexico, are executive officers and/or directors of Grupo Mexico or its affiliates. Messrs. Germán Larrea Mota-Velasco, Oscar González Rocha, Xavier García de Quevedo Topete, and Gilberto Perezalonso Cifuentes comprise the Compensation Committee of the Board. See also "Related Party Transactions."

NON-BINDING ADVISORY VOTE ON EXECUTIVE COMPENSATION

The recently enacted Dodd-Frank Act and Section 14A of the Securities Exchange Act of 1934, as amended, requires that the Company's stockholders be given the opportunity to cast a non-binding advisory vote regarding the approval of the compensation disclosed in this proxy statement of the Company's executive officers who are named in the Summary Compensation Table. The Compensation Discussion and Analysis begins at page 16 in this proxy statement. As discussed there, the Board of Directors believes that the Company's long-term success depends, in large measure, on the talents of the Company's employees. The Company's compensation practices play a significant role in the Company's ability to attract, retain and motivate the highest quality workforce. The principal underpinnings of the Company's compensation system are to comply with the requirements of Peruvian and Mexican laws, to fit with the Company's goals and objectives and to retain its key executives and reward them

appropriately for their positive results. The compensation of the Company's named executive officers is in line with the compensation of other key employees of the Company. Additionally, the compensation of Mr. Oscar Gonzalez Rocha, our Chief Executive Officer, is below the reported compensation of other chief executive officers of companies with comparable market capitalization.

The proposal for a non-binding advisory vote on executive compensation provides stockholders with the opportunity to endorse or not endorse the Company's executive compensation program through the following resolution:

“RESOLVED, that the compensation paid to the Company's named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, compensation tables and narrative discussion, is hereby **APPROVED.**”

Because this is an advisory vote, it will not be binding upon the Company, its Board of Directors, or its Compensation Committee. However, the Company, its Board of Directors, and its Compensation Committee will take into account the outcome of the vote when considering future executive compensation arrangements to the extent they can determine the cause or causes of any significant negative voting results. The affirmative vote of a majority of the votes cast in person or by proxy at the meeting by the holders of shares of Common Stock entitled to vote thereon is required for the non-binding advisory vote on executive compensation described in this proxy statement. Abstentions and broker non-votes are counted for quorum purposes. Abstentions are counted as a vote “Against” this proposal. Broker non-votes are not counted either as votes cast “For” or “Against” the proposal. If we receive a signed proxy with no voting instructions, such shares will be voted “For” the approval of our executive compensation as described in this proxy statement.

The Board recommends that stockholders vote FOR approval of this resolution.

NON-BINDING ADVISORY VOTE ON FREQUENCY OF VOTE ON EXECUTIVE COMPENSATION

In addition to providing stockholders with the opportunity to cast a non-binding advisory vote on executive compensation, the Dodd-Frank Act requires that the Company provide stockholders with a non-binding advisory vote on whether the advisory vote on executive compensation should be held every one, two or three years. Stockholders can also abstain.

Because the Board of Directors and management of SCC are committed to conduct the business of the Company consistent with good corporate governance practices, the Board recommends that the non-binding advisory vote on executive compensation be conducted annually. The proxy card provides stockholders with the opportunity to choose among four options (holding the vote every one, two or three years, or abstaining) and, therefore, stockholders will not be voting to approve or disapprove the Board's recommendation.

Although this advisory vote on the frequency of the advisory vote on executive compensation is non-binding, the Company and the Board will take into account the outcome of the vote when considering the frequency of future advisory votes on executive compensation. However, the Board may decide that it is in the best interest of the Company and its stockholders to hold an advisory vote on executive compensation more or less frequently than the option approved by the stockholders.

Stockholders may cast their vote on their preferred voting frequency by choosing the option of one year, two years, three years or abstain from voting when voting in response to the resolution set forth below:

“RESOLVED, that the stockholders determine, on an advisory basis and based on the highest number of votes cast, whether the preferred frequency of an advisory vote on the executive compensation of the Company's named executive officers as set forth in the Company's proxy statement should be every year, every two years or every three years.”

Generally, approval of any matters presented to the stockholders requires a majority of the votes cast. However, because this vote is advisory and non-binding, if none of the frequency options receives a majority of the votes cast,

the option receiving the greatest number of votes will be considered the frequency recommended by the stockholders. If we receive a signed proxy without voting instructions, such shares will be voted for the option of “one year.” Abstentions and broker non-votes are counted for quorum purposes. Abstentions are counted as a vote “Against” this proposal. Broker non-votes are not counted either as votes cast “For” or “Against” this proposal.

The Board of Directors recommends that you vote FOR the option of “one year” as the preferred frequency for advisory votes on executive compensation.

RELATED PARTY TRANSACTIONS

In 2010, we had entered into certain transactions in the ordinary course of business with parties that are controlling stockholders or their affiliates. These transactions include the lease of office space, air transportation and construction services and products and services relating to mining and refining. We lend and borrow funds among affiliates for acquisitions and other corporate purposes. These financial transactions bear interest and are subject to review and approval by senior management, as are all related party transactions.

Grupo Mexico, our ultimate parent and our majority indirect stockholder, and our affiliates, provide various services to us. In 2010, these services were principally related to accounting, legal, tax, financial, treasury, human resources, price risk assessment and hedging, purchasing, procurement and logistics, sales and administrative and other support services. We pay Grupo México Servicios, S.A. de C.V., a subsidiary of Grupo Mexico, for these services. The total amount paid by us to Grupo México Servicios, S.A. de C.V. for such services in 2010 was \$10.9 million. We expect to continue to pay for these support services in the future.

Our Mexican operations paid fees of \$3.5 million in 2010, primarily for freight services provided by Ferrocarril Mexicano, S.A. de C.V., a subsidiary of Grupo Mexico. Our Mexican operations also paid fees of \$0.2 million in 2010 for drilling services provided by Perforadora Mexico, S.A. de C.V., a subsidiary of Grupo Mexico. Also in 2010, our Mexican operations paid \$29.0 million for construction services provided by México Proyectos y Desarrollos, S.A. de C.V. and affiliates, a subsidiary of Grupo Mexico.

In 2010, the Company purchased \$6.6 million in copper rod from Asarco LLC, an affiliate of the Company. Additionally in 2010, the Company made donations of \$0.8 million to Fundacion Grupo Mexico, an organization dedicated to promoting social and economic development of the communities close to our Mexican operations.

The Company’s Peruvian operations paid \$5.3 million in fees for engineering and consulting services provided by Consorcio Tricobre, a Peruvian company in which Servicios de Ingenieria Consultec, S.A. de C.V., an indirect subsidiary of Grupo Mexico, has 42.7% participation.

The Larrea family controls a majority of the capital stock of Grupo Mexico, and has extensive interests in other businesses, including oil drilling services, construction, aviation, and real estate. We engage in certain transactions in the ordinary course of business with other entities controlled by the Larrea family relating to mining and refining services, the lease of office space, sale of vehicles, and air transportation and construction services. In connection with this, we paid fees of \$2.3 million in 2010 for maintenance services and sale of vehicles provided by México Compañía de Productos Automotrices, S.A. de C.V., a company controlled by the Larrea family. Additionally, in 2007, the Company’s Mexican subsidiaries provided guaranties for two loans totaling \$10.8 million obtained by Mexico Transportes Aereos, S.A. de C.V. (“MexTransport”), a company controlled by the Larrea family, from Bank of Nova Scotia in Mexico. One of the loans, originally for \$2.3 million, was repaid in August 2010. The remaining loan (\$8.5 million plus interest at Libor + 0.15%) requires semi-annual repayments and matures in August 2013. MexTransport provides aviation services to the Company’s Mexican operations. The guaranty provided to MexTransport is backed up by the transport services provided by MexTransport to the Company’s Mexican subsidiaries. If MexTransport defaults on the loan, SCC’s subsidiary would have to satisfy the guaranty and repay to the bank the remaining balance, which at December 31, 2010 was \$3.9 million, plus interest. The Company paid fees of \$3.0 million in 2010 to MexTransport for aviation services.

The Company paid \$0.2 million in publicity services from Cadena Mexicana de Exhibición, S.A. de C.V., a subsidiary of Grupo Cinemex and a company controlled by the Larrea family.

Additionally, in 2010 we purchased \$2.8 million of industrial material from Higher Technology S.A.C. and paid \$0.2 million for maintenance services to Servicios y Fabricaciones Mecánicas S.A.C., companies in which Mr. Carlos González, a son of our Chief Executive Officer, has a proprietary interest. In addition, we purchased \$0.4 million in 2010 of industrial material from Sempertrans France Belting Technology and \$0.6 million of industrial material from PIGOBA, S.A. de C.V. Mr. Alejandro González, a son of our Chief Executive Officer, is employed as a sales representative of Sempertrans and has a proprietary interest in PIGOBA. The Company purchased \$1.5 million in 2010 of industrial material and services from Breaker, S.A. de C.V., a company in which Mr. Jorge González has a proprietary interest. Mr. Jorge González is the son-in-law of our Chief Executive Officer.

In the second quarter of 2010, the Company recovered \$7.7 million from Asarco LLC related to a previously written-off net accounts receivable position. Also, during 2010, the Company sold copper anodes, sulfuric acid, silver and gold to Asarco LLC in the amount of \$43.5 million.

Additionally in 2010, the Company received fees from building rental and maintenance services provided to Mexico Constructora Industrial S.A. de C.V., a subsidiary of Mexico Proyectos y Desarrollos, S.A. de C.V., in the amount of \$0.5 million, and to Perforadora Mexico S.A. de C.V., a subsidiary of Grupo Mexico, in the amount of \$0.2 million.

Asarco LLC employs Oscar González Barron, the son of Oscar González Rocha, our Chief Executive Officer. Mr. González Barron holds the position of Chief Financial Officer at Asarco LLC and received a base salary of \$178,480 in 2010, along with other employment benefits that are standard for employees of Asarco LLC at that management level. Mr. Oscar González Barron did not receive a bonus in 2010. Mr. Oscar González Rocha was not involved in the recruiting or hiring of Mr. Oscar González Barron by Asarco LLC, nor in any decision affecting Mr. González Barron's compensation. Mr. Oscar González Barron's compensation was established by Asarco LLC in accordance with its compensation practices applicable to employees with equivalent qualifications and responsibilities and holding similar positions.

It is anticipated that in the future we will enter into similar transactions with such parties.

During 2010, the Audit Committee reviewed and did not object to any of the related party transactions reported in this proxy statement. Our Audit Committee recognizes that related party transactions present a heightened risk of conflicts of interest and/or improper valuation (or the perception thereof) and therefore adopted a policy on January 24, 2007, and amended it on February 23, 2007, and on April 24, 2008. This policy is followed in connection with all of our related party transactions. This policy formalizes the procedures followed by the Audit Committee for previous years. Related parties are those defined as such by the SEC. Our policy requires us to report all related party transactions in our filings with the SEC and as required by accounting requirements.

It is our policy that the Audit Committee shall review all related party transactions. The Company is prohibited from entering or continuing a material related party transaction that has not been reviewed and approved or ratified by the Audit Committee. Our Certificate specifically provides that the Company is prohibited from engaging in any material affiliate transaction unless the transaction has been reviewed by a committee of at least three members of the Board of Directors, each of whom must satisfy the independence standards of the NYSE (or any other exchange or association on which the Common Stock is listed). A material affiliate transaction is defined as a transaction, business dealing or material financial interest in any transaction, or any series of transactions between Grupo Mexico or one of its affiliates (other than us or any of our subsidiaries), on the one hand, and us or one of our subsidiaries, on the other hand, that involves an aggregate consideration of more than \$10,000,000. We believe that the Audit Committee is best suited to review any material affiliate transaction.

The Audit Committee may delegate authority to grant such approvals or ratifications to one or more members of the Audit Committee with the requirement that such member or members present any decisions made pursuant to such delegated authority to the full Audit Committee at its next scheduled meeting.

Additionally, in transactions where a senior officer is related to any of our goods or services provider, the Chairman of the Audit Committee is delegated the authority to approve the transaction, unless it exceeds an

aggregate consideration of more than \$500,000. In the latter case, prior approval of the Audit Committee members is required.

Management reports all related party transactions to the Audit Committee at each meeting. Material related party transactions are reported to the full Board of Directors. There is a presumption that the Audit Committee has approved or ratified the related party transaction if it has reviewed the transaction and made no observations or objections to same.

In reviewing a related party transaction the Audit Committee considers all of the relevant factors surrounding the transaction including:

- (1) whether there is a valid business reason for us to enter into the related party transaction consistent with the best interests of the Company and our stockholders;
- (2) whether the transaction is negotiated on an arm's length basis on terms comparable to those provided to unrelated third parties or on terms comparable to those provided to employees generally;
- (3) whether the Audit Committee determines that it has been duly apprised of all significant conflicts that may exist or may otherwise arise on account of the transaction, and it believes, nonetheless, that we are warranted in entering into the related party transaction and have developed an appropriate plan to manage the potential conflicts of interest;
- (4) whether the rates or charges involved in the transaction are determined by competitive bids, or the transaction involves the rendering of services as a common or contract carrier, or public utility, at rates or charges fixed in conformity with law or governmental authority;
- (5) whether the transaction involves services as a bank depository of funds, transfer agent, registrar, trustee under a trust indenture, or similar services; and/or
- (6) whether the interest of the related party or that of a member of the immediate family of the related party arises solely from the ownership of our class of equity securities and all holders of that class of our equity securities received the same benefit on a pro rata basis.

“CONTROLLED COMPANY” EXCEPTION TO NYSE RULES

A company of which more than 50% of the voting power for the election of directors is held by a single entity, a “controlled company,” is not required to comply with the requirements of the NYSE corporate governance rules requiring a majority of independent directors and independent compensation and nominating/corporate governance committees.

We are a controlled company as defined by the rules of the NYSE. Grupo Mexico owns indirectly 80.00% of our stock as of December 31, 2010 and controls the voting power for the election of directors. We have taken advantage of the exceptions to the corporate governance rules of the NYSE. We have three special independent directors nominated by the Special Nominating Committee, Messrs. Luis Miguel Palomino Bonilla, Gilberto Perezalonso Cifuentes, and Carlos Ruiz Sacristán. Messrs. Emilio Carrillo Gamboa and Enrique Castillo Sánchez Mejorada are our fourth and fifth independent directors. At its meeting on January 27, 2011, the Board of Directors determined that Messrs. Luis Miguel Palomino Bonilla, Gilberto Perezalonso Cifuentes, Carlos Ruiz Sacristán, Emilio Carrillo Gamboa, and Enrique Castillo Sánchez Mejorada are independent of management in accordance with the requirements of the NYSE as such requirements are interpreted by our Board of Directors in its business judgment.

CORPORATE GOVERNANCE

Corporate Governance Guidelines, Committee Charters and Code of Ethics

We have adopted Corporate Governance Guidelines for the Board of Directors and charters for the Audit, Special Nominating, Corporate Governance and Disclosure, and Compensation Committees. We also have in place a Code of Business Conduct and Ethics that applies to our principal executive officer, principal financial officer, comptroller, all other officers, directors and our employees, including the persons performing accounting or financial functions. The Corporate Governance Guidelines, Code of Business Conduct and Ethics, and Committee

charters, may be accessed free of charge by visiting our web site at www.southerncoppercorp.com. We intend to report any amendments to, or waiver from, a provision of the Code of Business Conduct and Ethics that applies to the principal executive officer, principal financial officer, principal accounting officer, comptroller, director and other persons performing similar functions as required by the NYSE rules.

Board Leadership Structure

The Board believes that the Company is best served by separating the positions of Chairman and Chief Executive Officer. Mr. Germán Larrea Mota-Velasco is the Chairman of our Board of Directors and Mr. Oscar González Rocha, the President of the Company, is our Chief Executive Officer. We also have a Chief Executive Officer for our Mexican operations. Mr. Xavier Garcia de Quevedo Topete, our Chief Operating Officer, is the President and Chief Executive Officer of Southern Copper Minera Mexico. This structure provides three leaders for the Company and results in a more effective organization. We believe our current Board leadership structure is optimal for us because it demonstrates to our employees, suppliers, customers, and other stakeholders that the Company is under strong leadership with three persons setting the tone and having responsibility for managing our operations.

Risk Oversight Process

We have a Risk Committee composed of management personnel that reports to the Chief Executive Officer. The Risk Committee meets regularly to review the Company's risk management process, including operational, legal, financial, governmental environment, corporate governance, credit, and liquidity risk matters. Additionally, the Risk Committee reports to the Audit Committee significant risk findings and the Audit Committee then reports same to the entire Board. The Board of Directors has the ultimate oversight role to monitor how senior management manages the material risks associated with the Company's operations.

It is the competence of the Audit Committee to review and discuss with management the Company's guidelines and policies with respect to the process by which the Company undertakes risk assessment and risk management, including discussion of the Company's major financial risk exposures and the steps management has taken to monitor and control such exposures. Additionally, the Board's Corporate Governance and Disclosure Committee's duties include overseeing and reviewing periodically with the Chief Executive Officer, the Chief Financial Officer, the proper officers, employees, and committees of the Company, the internal and external auditors, and the Audit Committee the effectiveness of the Company's disclosure controls and procedures, internal controls, and risk assessments, and the quality and adequacy of the disclosures that the Company makes in the periodic reports it files with the SEC.

We believe the division of risk management responsibilities described above is an effective approach for addressing the risks facing the Company and that our Board leadership structure supports this approach.

Executive Session of Non-Management Directors

In accordance with Section 303A.03 of the corporate governance rules of the NYSE, an executive session of non-management directors is scheduled on the occasion of each of our regularly scheduled Board meetings. Only independent directors attend the executive sessions of non-management directors. For such purpose, our Chairman invites the non-management directors to hold the executive session and all other members are asked to leave the boardroom. The non-management directors decide on each occasion if there are matters that warrant holding the executive session and the directors designate for each session, the director who will preside at each executive session. This policy is disclosed in Section 5.4 of our Corporate Governance Guidelines posted on the Company's web site at www.southerncoppercorp.com.

Corporate Governance and Disclosure Committee

The primary functions of the Corporate Governance and Disclosure Committee are (a) to consider and make recommendations to the Company's Board of Directors concerning the appropriate function and needs of the Board, (b) to develop and recommend to the Board corporate governance principles, (c) to oversee evaluation of the Board and management, and (d) to oversee and review compliance with the disclosure and reporting standards of the

Company that require full, fair, accurate, timely, and understandable disclosure of material information regarding the Company in reports and documents that it files with the SEC, the NYSE and equivalent authorities in the countries in which the Company operates, as well as in other public communications that it regularly makes. The Chief Executive Officer, the Chief Financial Officer, the Comptroller, the Treasurer, and the persons performing accounting or financial functions are responsible to ensure compliance with these standards. Additionally, the Chief Executive Officer and the Chief Financial Officer are responsible for establishing and maintaining disclosure controls and procedures and internal control over financial reporting. It is also the purpose of the Corporate Governance and Disclosure Committee to assist the Audit Committee in the performance of its responsibilities. Because we are a controlled company as defined by the NYSE we do not have a Corporate Governance and Disclosure Committee comprised entirely of independent directors. The Committee is comprised of Messrs. Germán Larrea-Mota Velasco, Oscar González Rocha, Xavier García de Quevedo Topete, and Emilio Carrillo Gamboa. The Committee met one time in 2010 with 100% attendance by Messrs. Germán Larrea-Mota Velasco, Oscar González Rocha and Xavier García de Quevedo Topete. Mr. Emilio Carrillo Gamboa was unable to attend the meeting due to a prior commitment, but was later informed of the proceedings and decisions taken at the meeting, and had ratified same.

The Corporate Governance and Disclosure Committee has the authority to delegate any of its authority to subcommittees designated by the Corporate Governance and Disclosure Committee, to the extent permitted by law. The Corporate Governance and Disclosure Committee has the authority to delegate its authority to one or more members of the Committee with the requirement that such member or members present any decisions made pursuant to such delegated authority to the full Corporate Governance and Disclosure Committee at its next meeting. The Committee has the sole authority to retain and terminate any counsel or other advisors, including sole authority to approve the fees and other retention terms.

Special Independent Directors/Special Nominating Committee

The Special Nominating Committee functions as a special committee to nominate special independent directors to the Board. Pursuant to our Certificate, a special independent director is any director who (i) satisfies the independence requirements of the NYSE Listed Company Manual (or any other exchange or association on which the Common Stock is listed) and (ii) is nominated by the Special Nominating Committee. The Special Nominating Committee has the right to nominate a number of special independent directors based on the percentage of our Common Stock owned by all holders of our Common Stock, other than Grupo Mexico and its affiliates.

The Special Nominating Committee consists of three directors, two (2) of whom are Luis Miguel Palomino and Carlos Ruiz Sacristán (each an "Initial Member" and, together with their successors, "Special Designees") and such other director, currently Xavier García de Quevedo Topete, as may be appointed by the Board of Directors or the "Board Designee." The Board Designee will be selected annually by the Board of Directors. The Special Designees will be selected annually by the members of the Board who are special independent directors or Initial Members. Only special independent directors can fill vacancies on the Special Nominating Committee. Any member of the Special Nominating Committee may be removed at any time by the Board of Directors for cause. The unanimous vote of all members of the nominating committee will be necessary for the adoption of any resolution or the taking of any action.

Our Certificate provides that the number of special independent directors on the Board of Directors at any given time shall be equal to (a) the total number of directors on the Board of Directors multiplied by (b) the percentage of Common Stock owned by all of the stockholders (other than Grupo Mexico and its affiliates), rounded up to the next whole number. Notwithstanding the foregoing, the total number of persons nominated as special independent directors cannot be less than two or greater than six.

The Special Nominating Committee has nominated Messrs. Luis Miguel Palomino Bonilla, Gilberto Perezalonso Cifuentes, and Carlos Ruiz Sacristán as special independent directors. Messrs. Emilio Carrillo Gamboa and Enrique Castillo Sánchez Mejorada are our fourth and fifth independent directors. At its meeting on January 27, 2011, the Board of Directors approved the nomination of special independent directors made by the Special Nominating Committee and endorsed the determination made by the Special Nominating Committee that Messrs. Luis Miguel Palomino Bonilla, Gilberto Perezalonso Cifuentes, and Carlos Ruiz Sacristán are independent of management in accordance with the requirements of the NYSE, as such requirements are interpreted by the

Special Nominating Committee and our Board of Directors in their respective business judgments. The Board of Directors also determined that Messrs. Emilio Carrillo and Enrique Castillo Sánchez Mejorada are independent of management in accordance with the requirements of the NYSE as such requirements are interpreted by our Board of Directors in its business judgment. Notwithstanding the foregoing, the power of the Special Nominating Committee to nominate special independent directors is subject to the rights of the stockholders to make nominations in accordance with our by-laws.

The Special Nominating Committee met once in 2010. The Special Nominating Committee considers and makes recommendations to the Board of Directors with respect to the nominations for special independent directors. The Committee considers recommendations for special independent director nominees to the Board of Directors from all sources. Recommendations for special independent director nominees should be sent in writing to our Secretary or Assistant Secretary (see “Proposals and Nominations of Stockholders” below).

The Special Nominating Committee’s Charter sets forth that it shall have the authority to:

- consider and recruit candidates to fill the positions on the Board allocated to special independent directors taking into account the Board’s current composition and core competencies and the needs of the Board as a whole;
- apply criteria for Board membership that require special independent directors to satisfy the independence requirements, possess financial and business competency, high ethical standards and integrity, intelligence and judgment, sufficient time to devote to our matters, and a history of achievement;
- review and consider candidates from all sources;
- conduct appropriate and necessary inquiries into the backgrounds and qualifications of possible candidates;
- recommend the special independent director nominees for approval by the Board and you;
- fill any vacancy created by the removal, resignation or retirement from the Board of any special independent director; and
- evaluate annually the Committee’s own performance and the adequacy of the charter, and report on the same to the Board.

The Committee has the authority to delegate any of its authority to subcommittees designated by the Committee, to the extent permitted by law. However, the Committee has the sole authority to retain and terminate any advisor, including counsel and any search firm used to identify special independent director candidates, and to approve the fees and other retention terms of said advisors.

We do not have a policy requiring attendance by directors at the annual meeting of stockholders. Mr. Oscar González Rocha, our President, chaired the 2010 annual meeting of stockholders and Mr. Armando Ortega Gómez, our former Secretary, recorded. Also present at the 2010 annual meeting was Mr. Xavier Garcia de Quevedo, President, Chief Executive Officer of Southern Copper Minera Mexico, and our Chief Operating Officer. When reporting a concern, please supply sufficient information so that the matter may be addressed properly. This process will assist the Board in reviewing

and responding to communications in an appropriate manner. The Board has instructed our Corporate Secretary or Assistant Secretary to review such correspondence and, at his discretion, to not forward items he deems to be commercial or frivolous in nature, or otherwise inappropriate for the Board's consideration.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Based on our records and other information, we believe that all filing requirements of the SEC applicable to our executive officers, directors, and ten percent or more owners were complied with for 2010, with the exception of Mr. Daniel Muniz Quintanilla, one of our directors, who filed one late report covering the disposition of 1,200 shares on August 10, 2010, Dr. Luis Miguel Palomino Bonilla, one of our directors, who filed two late reports covering the disposition of 800 shares on April 28, 2010 and 200 shares on July 5, 2010.

PROPOSAL TO RATIFY THE SELECTION OF INDEPENDENT ACCOUNTANTS

Galaz, Yamazaki, Ruiz Urquiza S.C. is a member firm of Deloitte Touche Tohmatsu Limited, a Swiss Verein. Deloitte Touche Tohmatsu's Global Energy and Resources practice provides comprehensive, integrated solutions to the electric power, oil and gas, mining and water sectors through its member firms around the world. These solutions address the range of challenges facing energy and resources companies as they adapt to a changing regulatory environment, to political, economic and market pressure and to technological development. Deloitte and Touche LLP, a subsidiary of Deloitte LLP, and a member of Deloitte Touche Tohmatsu Limited, was our independent accountants for the year ended December 31, 2002.

The Board of Directors recommends that you ratify the selection by the Audit Committee of the Board of Directors of Galaz, Yamazaki, Ruiz Urquiza S.C., a member firm of Deloitte Touche Tohmatsu Limited, as our independent accountants for the calendar year 2011.

Galaz, Yamazaki, Ruiz Urquiza S.C., a member firm of Deloitte Touche Tohmatsu Limited, has advised us that neither the firm nor any of its members have any direct or material indirect financial interest in us or our subsidiaries. A representative of Galaz, Yamazaki, Ruiz Urquiza S.C. will be present at the stockholders' meeting. The representative will have an opportunity to make a statement and will be available to respond to appropriate questions.

NON-BINDING ADVISORY VOTE ON EXECUTIVE COMPENSATION

The Board of Directors recommends that you vote in favor of the resolution to approve, on a non-binding advisory basis, the compensation of our named executive officers as disclosed in this proxy statement pursuant to Item 402 of Securities and Exchange Commission Regulation S-K, including the Compensation Discussion and Analysis, compensation tables and narrative discussion.

The affirmative vote of a majority of the votes cast in person or by proxy at the meeting by the holders of shares of Common Stock entitled to vote thereon is required for the non-binding advisory vote on executive compensation described in this proxy statement. Abstentions and broker non-votes are counted for quorum purposes. Abstentions are counted as a vote "Against" this proposal. Broker non-votes are not counted either as votes cast "For" or "Against" the proposal. If we receive a signed proxy with no voting instructions, such shares will be voted "For" the approval of our executive compensation as described in this proxy statement.

NON-BINDING ADVISORY VOTE ON FREQUENCY OF VOTE ON EXECUTIVE COMPENSATION

Our Board of Directors recognizes the importance of receiving regular input from our stockholders on important issues such as our compensation programs. Our Board also believes that a well-structured compensation program should allow for advisory input from our stockholders each year. Accordingly, the Board recommends that you vote in favor of an annual advisory vote on our compensation programs.

Generally, approval of any matters presented to the stockholders requires a majority of the votes cast. However, because this vote is advisory and non-binding, if none of the frequency options receives a majority of the votes cast, the option receiving the greatest number of votes will be considered the frequency recommended by the stockholders. If we receive a signed proxy without voting instructions, such shares will be voted for the option of "one year." Abstentions and broker non-votes are counted for quorum purposes. Abstentions are counted as a vote "Against" this proposal. Broker non-votes are not counted either as votes cast "For" or "Against" this proposal.

PROPOSALS AND NOMINATIONS OF STOCKHOLDERS

Under SEC rules, proposals of stockholders intended to be presented at our 2012 annual meeting of stockholders must be received by us at our principal executive office in the United States (11811 North Tatum Blvd., Suite 2500, Phoenix, AZ 85028, USA) by December 1, 2011 to be considered for inclusion in our proxy statement and form of proxy.

In addition, Section 2.03 of our by-laws, which deals with Notice of Stockholder Business and Nominations, provides that Common Stockholders seeking to nominate a director or propose business to be considered at an annual meeting of stockholders must give written notice to our Secretary or Assistant Secretary regarding the proposed nominee and/or proposed business to be considered no less than 90 days nor more than 120 days prior to the first anniversary of the preceding year's annual meeting. Accordingly, your nominations or proposals intended to be presented at our 2012 annual meeting of stockholders must be received by us by January 27, 2012 but not before December 30, 2011 (unless the date of the 2012 annual meeting is advanced by more than 30 days or delayed by more than 60 days from the first anniversary of the 2011 meeting).

We are not aware of any other matters to be considered at the meeting. If any other matters properly come before the meeting, the persons named in the enclosed form of proxy are ratified to and will vote said proxy in accordance with their judgment on such matters.

The cost of soliciting proxies in the accompanying form will be borne by us.
