

Dear All,

With the aim of improving the efficiency and quality of our payment process, we inform that on December 2017 the new **AMC Vendors Portal** will initiate operations.

The new portal will have the following benefits:

- Real time invoice / order status tracking available for Vendors
- Increase payment process efficiency
- Speed up payment by process enhancements
- Easily identify problems in the payment process
- Greater transparency in the invoice management process

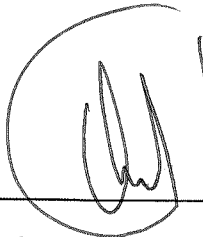

This change contemplates 5 main phases\*:

1. Vendors registration in AMC Vendors Portal
2. Invoice status review
3. Minera México and Subsidiaries invoice loading
4. ASARCO and Subsidiaries invoice loading
5. Southern Peru Copper Corporation invoice loading

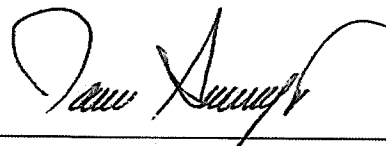

*\*These phases will be communicated according to their release (December 2017 - February 2018)*

We appreciate your attention.

Sincerely,

Oscar González Barron  
AMC Administration and Controllershship Director

Jaime Ramírez del Villar López de Romaña  
AMC Procurement Director
